(f) If severed natural resources are purchased for the purpose of processing and consumption, the gross value is the fair market value of processed natural resources of similar grade and quality reduced by the amount paid or payable to the taxpayer actually severing the natural resource.

(g) In all instances, the gross value shall not be reduced by any taxes including the tax levied in KRS 143A.020, royalties, sales commissions, or any other expense.

(6) "Processing" includes but is not limited to breaking, crushing, cleaning, drying, sizing, or loading or unloading for any purpose. "Processing" shall not include the act of unloading or loading for shipment natural resources that have not been severed, cleaned, broken, crushed, dried, sized or otherwise treated in Kentucky.

It includes exclusive space leased or owned by the certificated air carrier, common access areas, concession areas, aircraft ramps, taxiways, roadways, and vehicles which are part of an intra-airport train, subway, or automated fixed guideway transit system, but excludes any other ground vehicles and aircraft.

(2) "Investment" means all costs which, consistent with the fundamental project scope, the certificated air carrier, airport operator, or any bond trustee pays, commits to pay, or incurs in any manner for the purchase or acquisition of additional air transportation facilities for which construction was started after the base period, and related equipment which was not located at an airport in this Commonwealth prior to the base period. Included are costs directly related to the design, construction, purchase, acquisition, lease, use, or financing of part or all of the additional air transportation facilities and related equipment whether owned, leased, or used by the carrier or its customers. Financing costs shall be limited to the principal amount of bonds or other obligations, capitalized interest, and any related issuance costs and expenses. The total investment shall not be offset or otherwise reduced if the certificated air carrier or airport operator is or subsequently becomes eligible for any reimbursement from either federal funds or other funds which may be available, including funds generated directly or indirectly from passenger facility charges. Likewise, any subsequent adjustment to the total investment provided in a carrier's contractual obligation shall not adversely affect the amount of the investment if the fundamental project scope is not reduced.

(3) "Annual period" means the certificated air carrier's taxable year as provided in KRS 141.140.

(4) "Base period" means the certificated air carrier's annual period ending in 1990.

(5) "Contractually obligated" or "contractual obligation" means having entered into a written agreement or commitment to make an investment in air transportation facilities and related equipment in this state.

(6) "Gross Kentucky real wage base" means the wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141, paid by a certificated air carrier during the base period adjusted to reflect changes in the United States Department of Labor's "Employment Cost Index - Wages and Salaries" for the transportation industry or, at the option of the carrier and upon verification by the ***Department of*** Revenue[~~ Cabinet~~], the carrier's actual general wage increases, through the end of the annual period for which tax credit is claimed pursuant to KRS 144.125.

(7) "Nonqualifying employees" means employees of the certificated air carrier whose employment with the carrier began after the base period; and

(a) The employees perform essentially the same functions which, by contract or otherwise, were performed in this Commonwealth for the carrier by another company at any time after the base period; or

(b) Their employment continued in this Commonwealth as the result of the carrier's purchase, merger, or other acquisition of or combination with another company.

(8) "Fundamental project scope" means the total project consisting of the additional air transportation facilities and related equipment as reflected in the carrier's application filed pursuant to KRS 144.130. It shall be measured by the carrier's increased capacity. Measures of increased capacity may include such factors as square footage, cost, employment, passenger or freight loadings or handling capabilities, number of aircraft departures, and other factors related to the increased investment.

Section 324. KRS 144.120 is amended to read as follows:

(1) Subject to the provisions of subsections (4), (5), and (6) of this section and KRS 144.130, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a Kentucky sales and use tax credit, as computed in subsection (3) of this section, on aircraft fuel, including jet fuel, purchased after June 30, 1991, for any annual period in which the carrier meets or exceeds the investment or fuel purchase qualification requirements prescribed in subsection (2) of this section.

(2) To qualify for the sales and use tax credit provided in subsection (1) of this section, the certificated air carrier shall:

(a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars ($300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; or

(b) During the annual period for which the credit is claimed, purchase and place into the fuel supply tank of its aircraft in this state not less than one hundred million (100,000,000) gallons of aircraft fuel, including jet fuel, for the carrier's direct operation of the aircraft in interstate or foreign commerce exclusively for the conveyance of property or passengers for hire. Nominal use of the aircraft fuel in intrastate commerce shall not affect this provision.

(3) The sales and use tax credit shall be an amount equal to the Kentucky sales and use tax otherwise applicable to aircraft fuel, including jet fuel, purchased by the certificated air carrier for its storage, use, or other consumption during the annual period, less four million dollars ($4,000,000). The four million dollar ($4,000,000) amount shall be increased to reflect the Kentucky sales and use tax on aviation fuel attributable to operations of any other company purchased, merged, acquired, or otherwise combined with the certificated air carrier after the base period. The amount of the increase shall be based on the Kentucky sales and use tax applicable to such aircraft fuel purchased during the twelve (12) month period immediately preceding the purchase, merger, or other acquisition by or combination with the certificated air carrier.

(4) To facilitate administration of the tax credit provided pursuant to this section, each qualifying certificated air carrier purchasing aircraft fuel, including jet fuel, on which the Kentucky sales and use tax for the annual period is reasonably expected to exceed the amount provided in subsection (3) of this section shall report and pay directly to the ***Department of*** Revenue [~~Cabinet~~]the tax applicable to aircraft fuel, including jet fuel, purchased for its storage, use, or other consumption during the annual period, less the credit provided herein.

(5) Notwithstanding the provisions of subsection (1) of this section, no certificated air carrier shall be entitled to any tax credit pursuant to this section unless the carrier meets the requirements of subsection (2) of this section by the annual period ending in 1997.

(6) Each certificated air carrier claiming the sales and use tax credit authorized pursuant to this section shall file an annual sales and use tax reconciliation report with the ***Department of*** Revenue[~~ Cabinet~~] on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.137.

Section 325. KRS 144.125 is amended to read as follows:

(1) Subject to the provisions of subsections (4) through (9) of this section and KRS 144.130, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a general tax credit, as computed in subsection (3) of this section, for any annual period in which the certificated air carrier meets or exceeds the investment and gross wage qualification requirements prescribed in subsection (2) of this section and has elected to begin claiming the credit.

(2) To qualify for the general tax credit provided in subsection (1) of this section, the certificated air carrier shall:

(a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars ($300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; and

(b) During the annual period for which the credit is claimed, have gross wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141 which are at least fifteen million dollars ($15,000,000) greater than its gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.

(3) The general tax credit shall be an amount equal to ten percent (10%) of the increase in gross wages subject to Kentucky income tax and Kentucky income tax withholding paid by the certificated air carrier during the annual period as compared to the carrier's gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.

(4) The general tax credit may accrue for only five (5) consecutive annual periods of the qualifying certificated air carrier. The five (5) year limitation period shall begin at the election of the qualifying certificated air carrier, but not later than the carrier's annual period beginning in 1997. The tax credit shall accrue to the carrier only for the annual periods during which the carrier meets or exceeds the requirements as provided in subsection (2) of this section.

(5) The general tax credit authorized to a qualifying certificated air carrier shall not exceed three million dollars ($3,000,000) for any annual period.

(6) The general tax credit authorized to a qualifying certificated air carrier shall not exceed a total of fifteen million dollars ($15,000,000).

(7) The general tax credit authorized shall be claimed by the qualifying certificated air carrier first against its Kentucky corporation income tax liability, then against its Kentucky corporation license tax liability, with any remaining balance to be claimed against its Kentucky sales and use tax liability. The credit shall not be applied to any other liability due the Commonwealth. The ***Department of*** Revenue[~~ Cabinet~~] may prescribe the method or manner for the qualifying certificated air carrier to claim the tax credit on applicable tax returns filed with the ***department***[~~cabinet~~].

(8) If the tax liabilities against which the tax credit is to be claimed pursuant to subsection (7) of this section are not sufficient to fully absorb the allowable tax credit, or if a net operating loss carryback or other subsequent adjustment reduces the carrier's liability against which a credit authorized by this section has previously been claimed, the unused or excess balance of the allowable credit may be applied against the carrier's liabilities for the specified taxes for previous or subsequent annual periods within the five (5) year limitation period. However, no refund in excess of the net tax actually paid by the carrier shall be made by the Commonwealth because of the carrier's application of the unused or excess credit. Interest shall not apply to any tax refunded for a prior period resulting from the credit carryback provisions of this subsection.

(9) Each certificated air carrier claiming the general tax credit authorized pursuant to this section shall file an annual general tax credit reconciliation report with the ***Department of*** Revenue[~~ Cabinet~~] on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.135 to 144.139 for each type tax against which the credit is applied.

Section 326. KRS 144.130 is amended to read as follows:

(1) No certificated air carrier shall claim any tax credit pursuant to KRS 144.110 to 144.130 until its entitlement thereto is first determined by the ***Department of*** Revenue[~~ Cabinet~~]. Upon application to the ***department***[~~cabinet~~], a certificated air carrier desiring to claim a tax credit pursuant to KRS 144.110 to 144.130 shall present documentation as may reasonably be required by the ***department***[~~cabinet~~] to define the fundamental project scope and verify the required investment, the increased capacity which is to result from the investment, and the anticipated project completion date. Documentation may include the carrier's contractual obligations, its corporation board resolutions or stockholder reports, airport board resolutions or actions, related financial transactions, and any other documentation which defines or describes the fundamental project scope and the carrier's planned investment and increased capacity. The ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] shall, upon the ***department's***[~~cabinet's~~] review of the documentation submitted by the carrier, make a tax credit entitlement determination and immediately give notice thereof to the carrier. In making an entitlement determination, the ***Department of*** Revenue[~~ Cabinet~~] shall seek whatever third-party counsel and advice deemed appropriate to satisfy itself that the fundamental project scope is sufficient to support at least a three hundred million dollar ($300,000,000) investment in additional air transportation facilities and related equipment. An entitlement granted by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] for a certificated air carrier to claim any tax credit pursuant to KRS 144.110 to 144.139 shall be subject to the provisions of subsection (2) of this section.

(2) Any certificated air carrier which is granted entitlement to claim any tax credit pursuant to KRS 144.110 to 144.130 shall, by the anticipated project completion date specified in the carrier's application filed pursuant to subsection (1) of this section, but not later than the carrier's annual period ending in 1997, demonstrate to the satisfaction of the ***Department of*** Revenue[~~ Cabinet~~] that an investment of at least three hundred million dollars ($300,000,000) has been made or that the

carrier has completed at least ninety percent (90%) of the fundamental project scope. An investment of three hundred million dollars ($300,000,000) or the completion of at least ninety percent (90%) of the fundamental project scope shall constitute fulfillment of the investment requirement. Without precluding the carrier's demonstration by other means, completion of ninety percent (90%) of the projected increased passenger or freight handling or loading capacity, as measured by the number of gates or loading facilities, or completion of at least ninety percent (90%) of the total square footage of the buildings, including the fixtures and equipment therefor, which were to be constructed and equipped as a part of the fundamental project scope shall demonstrate completion of at least ninety percent (90%) of the fundamental project scope. If the carrier has not made an investment of at least three hundred million dollars ($300,000,000) and has not completed at least ninety percent (90%) of the fundamental project scope by the anticipated project completion date, but not later than the carrier's annual period ending in 1997, all or a portion of the tax credit otherwise authorized pursuant to KRS 144.110 to 144.130 shall be forfeited as follows:

Fundamental Project Scope	Portion of
Completion Percentage	Credit Forfeited
At least 80%, but less than 90%	25%
At least 70%, but less than 80%	50%
Less than 70%	100%

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall be responsible for determining the extent of the certificated air carrier's completion of the fundamental project scope. In making the determination, the ***department***[~~cabinet~~] shall consult with the certificated air carrier, the affected airport board and, if deemed necessary, with other persons.

(4) Subject to the provisions of KRS 131.110, notwithstanding the provisions of KRS 136.076, 139.620, 141.210, 413.120, or any other provision of the Kentucky Revised Statutes limiting the time for assessing taxes, the ***Department of*** Revenue[~~ Cabinet~~] shall assess against the carrier the amount of any tax credit previously claimed which is forfeited pursuant to subsection (2) of this section. Interest at the tax interest rate as defined in KRS 131.010(6) shall apply to the forfeited tax credit amount from the date the credit was claimed until reimbursement is made to the Commonwealth. The carrier shall be allowed to claim in any applicable subsequent annual periods only that portion of the credit otherwise authorized pursuant to KRS 144.110 to 144.130 which has not been forfeited as provided in this section.

(5) The dates set forth in subsection (2) of this section may be extended by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], upon request by the carrier, by an amount of time equal to any delay caused by circumstances reasonably beyond the carrier's control which prevent the carrier from completing the project by the anticipated project completion date, including construction delays and delays resulting from the carrier's compliance with applicable federal, state, or local laws, rules and regulations, or an order or judgment of a court or administrative agency. They may also be extended by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] upon the carrier's showing of any other good cause. The Governor and the Legislative Research Commission shall be immediately notified of any extension granted pursuant to this subsection and the reason for granting the same.

(6) Upon the making of an initial tax credit entitlement determination pursuant to subsection (1) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall immediately give written notification to the Governor and the Legislative Research Commission and shall include a description of the fundamental project scope and a summary of the estimated costs. Upon making a final determination as provided in subsections (2) and (3) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall immediately give written notification to the Governor and the Legislative Research Commission of the extent to which the fundamental project scope was completed. Such notification shall include a summary of the total costs expended for the completed project and a description of any changes to or deviations from the fundamental project scope.

Section 327. KRS 144.132 is amended to read as follows:

(1) Subject to the provisions of subsection (2) of this section, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a credit against the Kentucky sales and use tax paid on aircraft fuel, including jet fuel, purchased after June 30, 2000, as determined under subsection (2) of this section.

(2) For fiscal years beginning after June 30, 2000, certificated air carriers shall pay the first one million dollars ($1,000,000) in Kentucky sales and use tax due that is applicable to the purchase of aircraft fuel, including jet fuel. The sales and use tax credit shall be an amount equal to the Kentucky sales and use tax otherwise applicable to the purchase of aircraft fuel, including jet fuel, purchased by the certificated air carrier during each fiscal year beginning after June 30, 2000, in excess of one million dollars ($1,000,000).

(3) Each certificated air carrier purchasing aircraft fuel, including jet fuel, on which Kentucky sales and use tax for the fiscal year is reasonably expected to exceed one million dollars ($1,000,000) shall report and pay directly to the ***Department of*** Revenue[~~ Cabinet~~] the tax applicable to the purchase of aircraft fuel, including jet fuel, purchased for storage use or other consumption during the fiscal year.

(4) Each certificated air carrier claiming the sales and use tax credit authorized pursuant to this section shall file an annual sales and use tax reconciliation report with the ***Department of*** Revenue[~~ Cabinet~~] on or before October 15 of the fiscal year following the fiscal year for which the credit is claimed. The report shall be filed as provided in KRS 144.137.

Section 328. KRS 144.135 is amended to read as follows:

The general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.125 shall be submitted to the ***Department of*** Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the tax credit and the use of the credit against the tax levied by KRS 136.070.

Section 329. KRS 144.137 is amended to read as follows:

The sales and use tax aviation fuel tax credit reconciliation report and the general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.120, 144.125, and 144.132 shall be submitted to the ***Department of*** Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the applicable tax credit and the use of the credit against the taxes levied by KRS Chapter 139.

Section 330. KRS 144.139 is amended to read as follows:

The general tax credit reconciliation report required to be filed by qualifying certificated air carriers pursuant to KRS 144.125 shall be submitted to the ***Department of*** Revenue[~~ Cabinet~~] in a form and contain information and documentation as the ***department***[~~cabinet~~] may reasonably require to verify the carrier's computation of the tax credit and the use of the credit against the tax levied by KRS 141.040.

Section 331. KRS 147A.025 is amended to read as follows:

(1) Except as provided in subsection (7) of this section, the Department for Local Government with the advice and approval of the state local finance officer annually shall conduct a program to instruct county clerks, sheriffs, jailers, and county treasurers respecting their duties and responsibilities in the collection and expenditure of public moneys, subject to their control and jurisdiction.

(2) The department with the advice and approval of the state local finance officer shall establish the content and publish instructional materials essential to implementing this program. Subsequent to every regular and extraordinary session of the General Assembly, the department with the state local finance officer shall review and revise, if necessary, the program when it is found not to be consistent with state law.

(3) The department may assess a charge to any person requesting copies of instructional materials published as provided by this section to cover actual costs of printing and handling these materials, except that no county official shall be charged for instructional materials provided for his use. Funds accruing from the sale of instructional materials shall be paid into the State Treasury, and the State Treasurer shall pay these funds into an account of the department to defray the costs of printing and handling these materials.

(4) The commissioner of the department with the advice and approval of the state local finance officer may prescribe completion standards for this program, and may, subject to subsection (6) of this section, establish the number, type and sequence of instructional sessions to be conducted by the department; but the commissioner of the department shall not require the attendance of any county official, nor shall he prescribe any requirement or standard that restricts or impairs a county official or elected candidate in the lawful pursuit or conduct of the office to which he is elected.

(5) The department shall notify in advance each county clerk, sheriff, jailer, and county treasurer respecting instructional session pertinent to his office. Notification shall be by mail, and it shall be posted no later than twenty-one (21) days prior to the instructional session. At a minimum, the notice shall give the date, time, place and title of the instruction session.

(6) The department shall conduct this program by providing a one (1) day session at various locations throughout this state in order to minimize the travel expenses of those officials attending, provided that the aggregate number of all sessions shall not exceed five (5) during any calendar year. Except as provided in subsection (7) of this section, the department may commence instruction anytime during a calendar year.

(7) The department shall not conduct a program as provided by this section during any calendar year when a general election is held for every constitutional county office. The department, however, shall commence instruction for the succeeding year within eighty (80) days following said general election.

(8) Every county official who attends an instructional session shall be paid his actual and necessary expenses in attending from the operating funds of his office.

(9) In fulfilling the requirements of this section, the department shall confer with and coordinate its duties and responsibilities with the Finance and Administration Cabinet,[~~ the Revenue Cabinet~~] and the Auditor of Public Accounts. The department shall also confer with those state universities whose mission statements mandate their participation in the training of public officials, the state associations for those officials listed in subsection (1) of this section, and the Kentucky Association of Counties, respecting the implementation of this section.

Section 332. KRS 147B.100 is amended to read as follows:

(4) The council shall meet at least annually and shall hold other meetings deemed necessary by a majority of the membership or when requested by the Governor.

(5) The members of the Governor's council shall serve without compensation for their services but shall be reimbursed, subject to the provisions of KRS 45.101 and state travel regulations, for all actual and necessary expenses incurred in the performance of their duties as members of the council.

Section 333. KRS 148.855 is amended to read as follows:

(1) The secretary of the Tourism Development Cabinet shall establish standards for the making of applications for inducements and the recommendation to the authority of eligible companies and their tourism attraction projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A.

(2) The secretary of the Tourism Development Cabinet shall consult with the authority when establishing standards to ensure that standards established pursuant to subsection (1) of this section and KRS 148.857(1) do not conflict.

(3) With respect to each eligible company making an application to the secretary of the Tourism Development Cabinet for inducements, and with respect to the tourism attraction project described in the application, the secretary of the Tourism Development Cabinet shall make inquiries and request materials of the applicant that shall include, but not be limited to, marketing plans for the project that target individuals who are not residents of the Commonwealth; a description and location of the project; capital and other anticipated expenditures for the project that indicate that the total cost of the project shall exceed one million dollars ($1,000,000), except for a theme restaurant destination attraction's project cost, which shall exceed five million dollars ($5,000,000), and the anticipated sources of funding therefor; the anticipated employment and wages to be paid at the project; business plans which indicate the average number of days in a year in which the project will be in operation and open to the public; and the anticipated revenues and expenses generated by the project. If the tourism attraction project is an entertainment destination center, the sales tax refund shall be dedicated to a public infrastructure purpose that shall relate to the tourism attraction project and shall be approved by the secretary of the Tourism Development Cabinet. The applicant shall submit the public infrastructure purpose with its application. Based upon a review of these materials, if the secretary of the Tourism Development Cabinet determines that the eligible company and the tourism attraction project may reasonably satisfy the criteria for final approval in subsection (4) of this section, then the secretary of the Tourism Development Cabinet may submit a written request to the authority requesting that the authority consider a preliminary approval of the eligible company and the tourism attraction project.

(4) After receiving a preliminary approval by the authority, the secretary of the Tourism Development Cabinet shall engage the services of a competent consulting firm to analyze the data made available by the eligible company and to collect and analyze additional information necessary to determine that, in the independent judgment of the consultant, the tourism attraction project:

(a) Shall attract at least twenty-five percent (25%) of its visitors from among persons who are not residents of the Commonwealth, except for a theme restaurant destination attraction, which shall attract a minimum of fifty percent (50%) of its visitors from among persons who are not residents of the Commonwealth;

(b) Shall have costs in excess of one million dollars ($1,000,000), except for a theme restaurant destination attraction, which shall have costs in excess of five million dollars ($5,000,000);

(c) Shall have a significant and positive economic impact on the Commonwealth considering, among other factors, the extent to which the tourism attraction project will compete directly with existing tourism attractions in the Commonwealth and the amount by which increased tax revenues from the tourism attraction project will exceed the credit given to the approved company;

(d) Shall produce sufficient revenues and public demand to be operating and open to the public for a minimum of one hundred (100) days per year, except for a theme restaurant destination attraction, which shall be operating and open to the public for a minimum of three hundred (300) days per year; and

(e) Shall not adversely affect existing employment in the Commonwealth.

(5) The independent consulting firm shall consult with the authority, the Office of the State Budget Director, *and* the Finance and Administration Cabinet[~~, and the Revenue Cabinet~~] in the development of a report on the proposed tourism attraction project. The Office of the State Budget Director *and*[~~,~~] the Finance and Administration Cabinet[~~, and the Revenue Cabinet~~] shall agree as to the methodology to be used and assumptions to be made by the independent consultant in preparing its report. Approval shall not be granted if it is determined that there is no projected net positive economic impact to the Commonwealth.

(6) The eligible company shall pay for the cost of the consultant's report and shall cooperate with the consultant and provide all of the data that the consultant deems necessary to make its determination under subsection (4) of this section.

(7) After a review of relevant materials, the consultant's report, and completion of other inquiries, the secretary of the Tourism Development Cabinet shall, by written notification to the authority, provide a recommendation to the authority regarding final approval of the tourism attraction project.

Section 334. KRS 148.859 is amended to read as follows:

(1) The authority, upon adoption of its final approval, may enter into with any approved company an agreement with respect to its tourism attraction project. The terms and provisions of each agreement shall include, but not be limited to:

  (a) The amount of approved costs, which shall be determined by negotiations between the authority and the approved company. Any increase in approved costs incurred by the approved company and agreed to by the authority shall apply retroactively for purposes of calculating the carry forward for unused inducements as set forth in KRS 139.536(3) for tax years commencing on or after July 1, 2004;

  (b) A date certain by which the approved company shall have completed the tourism attraction project. Upon request from any approved company that has received final approval prior to or after July 15, 2000, the authority shall grant an extension or change, which in no event shall exceed three (3) years from the date of final approval, to the completion date as specified in the agreement of an approved company. Within three (3) months of the completion date, the approved company shall document the actual cost of the project through a certification of the costs to be provided by an independent certified public accountant acceptable to the authority;

  (c) The following provisions:

    1. The term shall be ten (10) years from the later of:

      a. The date of the final approval of the project; or

      b. The original completion date specified in the agreement, if this completion date is within three (3) years of the date of the final approval of the project. An extension of the original completion date shall not alter the commencement date of the term;

    2. Within forty-five (45) days after the end of each fiscal year of the approved company, during the term of the agreement, the approved company shall supply the authority with such reports and certifications as the authority may request demonstrating to the satisfaction of the authority that the approved company is in compliance with the provisions of KRS 139.536 and KRS 148.851 to 148.860. Based upon a review of these materials and other documents that may be made available, the authority shall then certify to the ***Department of*** Revenue[~~ Cabinet~~] that the approved company is in compliance with this section; and

    3. The approved company shall not receive a sales tax refund as prescribed by KRS 139.536 with respect to any fiscal year if:

      a. In any year following the fourth year of the agreement, the tourism attraction project fails to attract at least twenty-five percent (25%) of its visitors from among persons who are not residents of the Commonwealth, except for a theme restaurant destination attraction, which shall attract a minimum of fifty percent (50%) of its visitors from among persons who are not residents of the Commonwealth; or

      b. In any year following the first year of the agreement, the tourism attraction project is not operating and open to the public for at least one hundred (100) days; and

  (d) Upon request from an approved company that has completed at least fifty percent (50%) of an entertainment destination center, the authority shall grant an extension of up to three (3) years to the completion date specified in the agreement of the approved company, in addition to the extension provided for in paragraph (b) of this subsection. In no event shall the completion date be more than six (6) years from the date of final approval. The extension provided for in this paragraph shall be subject to the following conditions:

    1. The approved company shall have spent or have contractually obligated to spend an amount equal to or greater than the amount of approved costs set forth in the initial agreement;

    2. The term of the agreement shall not be extended; and

    3. The scope of the entertainment destination center, as set forth in the initial agreement, shall not be altered to include new or additional entertainment and leisure options.

(2) The agreement shall not be transferable or assignable by the approved company without the written consent of the authority.

(3) In consideration of the execution of the agreement as defined in KRS 148.851 and notwithstanding any provision of KRS 139.770 to the contrary, the approved company as defined in KRS 148.851 excluding its lessees, may be granted a sales tax refund under KRS 139.536 from the Kentucky sales tax imposed by KRS 139.200 on the sales generated by or arising at the tourism attraction project as defined in KRS 148.851.

(2) The computation shall be made on the regular tax bills in such manner as may be directed by regulation of the ***Department of*** Revenue[~~ Cabinet~~].

(3) The county clerk shall deliver these bills to the sheriff for collection as provided in KRS 133.220(3).

Section 336. KRS 154.12-2086 is amended to read as follows:

The amount of the skills training investment credit awarded by the Bluegrass State Skills Corporation shall be an amount equal to fifty percent (50%) of the amount of approved costs incurred by the approved company in connection with its program of occupational upgrade training or skills upgrade training, the credit amount not to exceed five hundred dollars ($500) per employee and, in the aggregate, not to exceed one hundred thousand dollars ($100,000) for each approved company per biennium. The Bluegrass State Skills Corporation shall only approve one (1) application per biennium for each qualified company.

(2) The skills training investment credit shall be credited on the income tax return of the approved company filed for the fiscal year during which the final authorizing resolution is adopted by the Bluegrass State Skills Corporation in accordance with KRS 154.12-2088(6). The skill training investment credits allowed under KRS 154.12-2084 to 154.12-2089 shall only be used by the approved company that has been awarded the credits in accordance with KRS 154.12-2084 to 154.12-2089. The skills training investment credits provided for in this section shall be in addition to all other tax credits granted under the laws of the Commonwealth.

(3) The skills training investment credits may be carried forward for three (3) successive fiscal years of the approved company if the amount allowable as credits exceeds the income tax liability of the approved company in the tax year during which the final authorizing resolution is adopted by the Bluegrass State Skills Corporation; however, thereafter, if the amount allowable as credits exceeds the income tax liability of the approved company, the excess credits shall not be refundable or carried forward to any other fiscal year of the approved company for which a tax return of the approved company is to be filed.

(4) A qualified company shall not be entitled to receive the skills training investment credits if the qualified company requires that the employee reimburse the employer or otherwise pay for any costs or expenses incurred in connection with the occupational upgrade training or skills upgrade training.

(5) To the extent that any expenditures of a qualified company constitute approved costs and are the basis for the skills training investment credits under KRS 154.12-2084 to 154.12-2089, these expenditures shall not be eligible as the basis for grants-in-aid under Bluegrass State Skills Corporation provisions in KRS 154.12-204 to 154.12-208 or the Local Government Economic Development Program under the provisions of KRS 42.4588 to 42.4595.

The Bluegrass State Skills Corporation shall establish guidelines and standards for the designation of high performance companies.

(7) By October 1 of each year, the ***Department of*** Revenue[~~ Cabinet~~] shall certify to the Bluegrass State Skills Corporation the amount of any skills training investment credits taken pursuant to KRS 154.12-2084 to 154.12-2089 on tax returns filed during the fiscal year ending June 30 of that year.

This license shall be administered by the ***Department of*** Revenue[~~ Cabinet~~] and the maximum fee for this license shall be ten ($10) dollars set by the Cabinet for Economic Development. The ***Department of*** Revenue[~~ Cabinet~~] shall retain ten percent (10%) of the fee to cover its administrative cost and the remaining fees shall be deposited in a trust and agency account and shall be used by the clearinghouse in performing its assigned duties. The clearinghouse may administer the general business license and collect the fee for the master application and licensure program.

Section 338. KRS 154.20-256 is amended to read as follows:

(1) An investor shall be entitled to a nonrefundable credit equal to forty percent (40%) of the investor's proportional ownership share of all qualified investments made by its investment fund and verified by the authority. The aggregate tax credit available to any investor shall not exceed forty percent (40%) of the cash contribution made by the investor to its investment fund. The credit may be applied against the income tax imposed by KRS 141.020 or 141.040, the corporation license tax imposed by KRS 136.070, the insurance taxes imposed by KRS 136.320, 136.330, and 304.3-270, and the taxes on financial institutions imposed by KRS 136.300, 136.310, and 136.505.

(3) If the credit amount that may be claimed in any tax year, as determined under subsections (1) and (2) of this section, exceeds the investor's combined tax liabilities against which the credit may be claimed for that year, the investor may carry the excess tax credit forward until the tax credit is used, but the carry-forward of any excess tax credit shall not increase the fifty percent (50%) limitation established by subsection (2) of this section. Any tax credits not used within fifteen (15) years of the approval by the authority of the aggregate tax credit amount available to the investor shall be lost.

(4) The tax credits allowed by this section shall not apply to any liability an investor may have for interest, penalties, past due taxes, or any other additions to the investor's tax liability. The holder of the tax credit shall assume any and all liabilities and responsibilities of the credit.

(5) The tax credits allowed by this section are not transferable, except that:

The authority shall, within sixty (60) days of approval of credits, notify the ***Department of*** Revenue[~~ Cabinet~~] of the information required pursuant to this subsection and notify each investor of the amount of credits granted to that investor, and the year the credits may first be claimed.

(7) After the date on which investors in an investment fund have cumulatively received an amount of credits equal to the amount of credits allocated to the investment fund by the authority, no investor shall receive additional credits by virtue of its investment in that investment fund unless the investment fund's allocation of credits is increased by the authority pursuant to an amended application.

(8) The maximum amount of credits to be authorized by the authority shall be three million dollars ($3,000,000) for each of fiscal years 2002-03 and 2003-04.

If the investment fund fails to pay the penalty and interest in full as required by the ***Department of*** Revenue[~~ Cabinet~~], each investor shall be personally liable to the ***Department of*** Revenue [~~Cabinet~~]for that investor's share of the unpaid penalty, which shall be determined by the amount of credits received and utilized by the investor and all applicable interest. Tax required to be paid under the provisions of this chapter shall be remitted together with the state income tax return. The ***Department of*** Revenue[~~ Cabinet~~], when so acting, KRS 160.500 notwithstanding, shall remit school excise taxes collected to the school districts for which it is acting as tax collector in a reasonably timely and expeditious manner.

(e) KRS 160.621 notwithstanding, when the ***department***[~~cabinet~~] is acting as tax collector under the authority of KRS 160.627(2), the requesting school district may enact the tax enumerated in KRS 160.621 only at the following rates: five percent (5%), ten percent (10%), fifteen percent (15%), and twenty percent (20%) on a school district resident's state individual income tax liability as computed under KRS Chapter 141.

No individual's tax payment shall be credited to the tax set forth in KRS 160.621 until all outstanding state income tax liabilities of that individual have been paid.

(i) KRS 160.510 notwithstanding, the State Auditor shall be the only party authorized to audit the ***Department of*** Revenue [~~Cabinet~~]with respect to the performance of its duties under KRS 160.621.

(2) Promptly study the feasibility of computing personal property (ad valorem) taxes associated with motor vehicles or trailers, and producing tax bills or notices of taxes due in such regard, and if shown feasible to its satisfaction, implement such capability, or any part thereof, as expeditiously as practicable.

(3) Ensure that the automated system is capable of receiving the record of a lien for unpaid personal property (ad valorem) taxes associated with an owner of a motor vehicle or trailer. No motor vehicle dealer shall be responsible for the payment of a tax lien on a motor vehicle which is received as trade-in or otherwise obtained by the dealer.

Section 371. KRS 186A.060 is amended to read as follows:

The Department of Vehicle Regulation shall make every effort to minimize and reduce the amount of paperwork required to apply for, or transfer, a vehicle title. Existing statutory language in this chapter and KRS Chapter 186 pertaining to application, signature, forms, or application transfer record may be construed to be electronic in nature at the discretion of the cabinet as provided for by administrative regulation. (2) The Department of Vehicle Regulation and the ***Department of*** Revenue [~~Cabinet~~]shall, as agreed between them, provide appropriate system support or computerized listings on magnetic tape or disc, printouts, or system access, to fulfill the information needs formerly requiring duplicates of each certificate or receipt.

Section 373. KRS 186A.295 is amended to read as follows:

(1) (a) Any person or entity having a motor vehicle or trailer that has been destroyed, to the extent that its repair cannot be obtained through usual commercial repair services, at a cost less than its retail value as established from a value manual approved by the ***Department of*** Revenue[~~ Cabinet~~], or from which two (2) or more parts which typically bear a vehicle identification number placed thereon by the manufacturer have been removed, or which he removes, shall surrender the certificate of title for such vehicle for which he has a certificate of title in his or another name, to the county clerk of the county in which such vehicle is located. The clerk shall immediately forward the surrendered title to Frankfort with instructions for canceling the title.

(b) Any person or entity engaged in the sale of used motor vehicle or trailer parts, or the recycling or salvage of them, shall surrender the certificate of title for any vehicle in his possession, and for which he has a certificate of title, whether in his or another name, if such vehicle is destroyed within the meaning of paragraph (a) of this subsection, or from which two (2) or more parts which typically bear a vehicle identification number placed thereon by a manufacturer have been removed, or which he removes, to the county clerk of the county in which such vehicle is located. The clerk shall immediately forward the surrendered title to Frankfort with instructions for canceling the title.

(2) Each county clerk shall receive without charge, a certificate surrendered in accordance with this section, cancel it, and remit it to the Department of Vehicle Regulation, and take any other action related to it, as required by the Department of Vehicle Regulation.

Section 374. KRS 190.040 is amended to read as follows:

(o) Being a manufacturer, factory branch, distributor, field representative, officer, agent, or any representative of a motor vehicle manufacturer or factory branch, who has unfairly, without due regard to the equities of the dealer and without just provocation, canceled the franchise of any motor vehicle dealer. However, if an application for a license is filed by any person whose license has at any time previously been revoked for cause by the ***department***[~~cabinet~~], or if the ***department***[~~cabinet~~] is of the opinion that the person who makes the application as a subterfuge for the real party in interest whose license, prior to the time of filing the application, has been revoked for cause, or that the application is not for any other reason filed in good faith or is not for sufficient cause, the ***department***[~~cabinet~~] may, after a hearing of which the applicant shall be given ten (10) days' notice in writing and in which he shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

dollars ($50,000). If, however, a liquefied petroleum gas motor fuel dealer is bonded as provided in KRS 138.330 the ***department***[~~cabinet~~] may waive the bonding requirement in this section provided a rider is attached to the bond to guarantee payment of all liquefied petroleum gas motor fuel taxes together with all penalties and interest thereon and secure faithful compliance with the provisions of KRS 234.310 to 234.440. The applicant for a license shall be the principal obligor and this state shall be the obligee. If a new bond is furnished by the licensee as above provided, the ***department***[~~cabinet~~] shall cancel the bond for which the new bond is substituted.

(3) If upon an informal hearing, of which the licensee shall be given ten (10) days' notice in writing, the ***department***[~~cabinet~~] decides that the amount of the existing bond is insufficient to insure payment to this state of the amount of the tax, penalties, and interest for which the licensee is or may become liable, the licensee shall, upon the written demand of the ***department***[~~cabinet~~], file an additional bond in the same manner and form with surety thereon approved by the ***department***[~~cabinet~~], in any amount determined by the ***department***[~~cabinet~~] to be necessary, failing which the ***department***[~~cabinet~~] shall cancel the license in accordance with the provisions of this section.

(4) Any surety on a bond furnished by a licensee shall be released from all liability to this state accruing on the bond after the expiration of sixty (60) days from the date upon which the surety has lodged with the ***department***[~~cabinet~~] a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The ***department***[~~cabinet~~] shall, promptly on the receipt of the request, notify the licensee who furnished the bond, and unless the licensee shall, before the expiration of the sixty (60) day period, file with the ***department***[~~cabinet~~] a new bond with surety satisfactory to the ***department***[~~cabinet~~] in the amount and form prescribed in this section, the ***department***[~~cabinet~~] shall cancel the license in accordance with the provisions of this section. (2) Upon voluntary surrender of the license or upon receipt of a written request by a licensee, the ***department***[~~cabinet~~] may cancel his license, effective sixty (60) days from the date of request, but no license shall be canceled upon surrender or request unless the licensee has, prior to the date of cancellation, paid to this state all taxes, penalties, interest, and fines that are due or have accrued, and unless the licensee has surrendered to the ***department***[~~cabinet~~] his license.

(3) If upon investigation the ***department***[~~cabinet~~] ascertains that any person to whom a license has been issued is no longer engaged as a liquefied petroleum gas motor fuel dealer or a liquefied petroleum gas motor fuel user-seller, and has not been so engaged for a period of six (6) months, the ***department***[~~cabinet~~] may cancel the license by giving the person sixty (60) days' notice of cancellation, mailed to his last known address in which event the license shall be surrendered to the ***department***[~~cabinet~~].

(4) Whenever a licensee ceases to engage in business within this state, he shall notify the ***department***[~~cabinet~~] in writing within fifteen (15) days after discontinuance. The licensee shall make a report and pay all such taxes and any interest and penalties thereon, and shall surrender to the ***department***[~~cabinet~~] his license.

(5) If the ***department***[~~cabinet~~] takes action to cancel a license as provided in this section, the licensee shall be notified by certified or registered letter or summons of the charges against him, and he shall be afforded an opportunity for an informal hearing on the matter. The hearing shall be set at least five (5) days from the date the letter is delivered or the summons is served. Any licensee aggrieved by a decision to cancel his license after the informal hearing may appeal the decision to the Kentucky Board of Tax Appeals where he shall be granted an administrative hearing in accordance with KRS Chapter 13B.

(6) If the license is canceled by the ***department***[~~cabinet~~] as provided in this section, and if the licensee has paid to this state all taxes, interest, and penalties under KRS 234.310 to 234.440, the ***department***[~~cabinet~~] shall cancel the bond filed by the licensee.

(1) Forty million dollars ($40,000,000) of the moneys credited to the agricultural development fund as set out in KRS 248.703(1)(a) shall be set aside to supplement Phase II on April 26, 2000. Additional funds shall be set aside to supplement Phase II funding as needed from moneys credited to the agricultural development fund after June 30, 2000.

(2) Phase II payments shall be supplemented each year for tobacco growers and quota owners so that the total amount available for payment is maintained at one hundred fourteen million dollars ($114,000,000) each year. If the Phase II supplement set aside referred to in subsection (1) of this section falls below the amount needed to reach the one hundred fourteen million dollar ($114,000,000) level in any year before the end of the twelve (12) year Phase II funding program, procedures outlined in subsection (3) of this section shall be followed.

(3) (a) If the moneys set aside for Phase II supplement before June 30, 2000, become insufficient to continue to meet the yearly one hundred fourteen million dollar ($114,000,000) funding level, moneys needed to supplement Phase II funding to maintain funding at the 1999 level of one hundred fourteen million dollars ($114,000,000) per year for each of the remaining eleven (11) years of the Phase II funding program shall continue to be provided to the Phase II set aside from funds received in the tobacco settlement agreement fund after June 30, 2000. As Master Settlement Agreement funding becomes available after June 30, 2000, for calendar year 2001 and each year thereafter for the life of the Phase II payment program, the moneys needed for the Phase II supplement to assure availability of the one hundred fourteen million dollar ($114,000,000) funding level for that year shall be taken from the agricultural development fund. When a determination is made that funds are needed, funds shall be taken from the agricultural development fund before any other distributions are made following the next master settlement payment in April of each year. On the last year of distribution of the Phase II supplement funds, any excess funds beyond those needed to reach the one hundred fourteen million dollar ($114,000,000) level shall be returned to the agricultural development fund.

(b) Notwithstanding the provisions of paragraph (a) of this subsection, if the moneys required to supplement the Phase II funding at the one hundred fourteen million dollar ($114,000,000) level are less than twenty million dollars ($20,000,000) in a year, the amount shall be deferred to a later year until at least a deficit of twenty million dollars ($20,000,000) is achieved before supplement payments are made.

(4) The Tobacco Settlement Trust Corporation created in KRS 248.480 shall provide for distribution of the Phase II supplement funds. The corporation shall use the same formula and process for distribution of the Phase II supplement funds as it uses for distributions under the regular Phase II payment program, except that the corporation shall send the list

of supplement payment recipients to the ***Department of*** Revenue[~~ Cabinet~~] rather than to the trustee of the National Tobacco Grower Settlement Trust. The ***Department of*** Revenue[~~ Cabinet~~] shall process the information and issue the checks at no charge to the Agricultural Development Board. The Phase II supplement funds shall be identified as supplement funds when distributed to tobacco growers and quota owners.

This shall include underwriting rules, but only to the extent necessary to determine the rate or premium that will be applicable to a risk should the insurer decide to provide coverage. This does not include guidelines that relate to the selection of those risks that are acceptable to an insurer.

(3) "Supporting information" is the experience and judgment of the filer and the experience or data of other insurers or organizations relied on by the filer, the interpretation of any other data relied on by the filer, descriptions of methods used in making the rates, and any other information required to be filed by the commissioner.

(4) "Personal risks" means homeowners, tenants, private passenger nonfleet automobiles, mobile homes, and other property and casualty insurance for personal, family, or household needs.

(5) "Commercial risks" are any kinds of risks that are not personal risks.

(6) "Joint underwriting" is a voluntary arrangement established to provide insurance coverage for a risk pursuant to which two (2) or more insurers jointly contract with the insured at a price and under policy terms agreed on between the insurers.

(7) A "pool" is a voluntary arrangement, other than by a contract of reinsurance, established on a general and continuing basis pursuant to which two (2) or more insurers participate in the sharing of risks on a predetermined basis. A pool may operate through an association, syndicate or other pooling agreement.

(8) A "residual market mechanism" is an agreement, either voluntary or mandated by law, involving participation by insurers in the equitable apportionment among them of insurance that may be afforded applicants who are unable to obtain insurance through ordinary methods.

(9) An "advisory organization" is any entity, including its affiliates or subsidiaries, which either has two (2) or more member insurers or is controlled either directly or indirectly by two (2) or more insurers and which assists insurers in ratemaking related activities. Two (2) or more insurers having a common ownership or operating in this state under common management or control constitute a single insurer for purposes of this definition.

(10) A "competitive market" is a market that has not been found to be noncompetitive pursuant to KRS 304.13-041 and for which no such order is in effect.

(19) “Form provider” means a person who prepares, files, and distributes policy contract forms and endorsements and consults with members, subscribers, customers, or others relative to their use and application, but is not an advisory organization as defined in this subtitle.

(20) “Loss adjustment expenses” means the expenses incurred by the insurer in the course of settling claims.

(21) “Prospective loss costs” means that portion of a rate that does not include provisions for expenses (other than loss

adjustment expenses) or profit, and are based on historical aggregate losses or output from simulation models and loss adjustment expenses adjusted through development to their ultimate value and projected through trending to a future point in time. Loss costs, derived in part or entirely upon output form simulation models, must be approved by the commissioner before they become effective.

(22) "Rate" means the expected value of the future cost of insurance per exposure unit which accounts for the treatment of losses, expenses, and profit prior to any application of individual risk variations based on loss or expense considerations, but does not include minimum premium.

(b) In the case of mutual corporations, the direct or indirect ownership of eighty percent (80%) or more of the surplus and the voting power of two (2) or more corporations by the same member or members.

(6) In the case of a branch captive insurer, the tax provided for in this section shall apply only to the branch business of the company.

(7) The tax provided for in this section shall constitute all taxes collectible under the laws of Kentucky from any captive insurer, and the taxes imposed under this section shall be in lieu of all excise, license, occupational, or other taxes imposed by the state, county, city, or other taxing district except as provided in KRS 136.320(6) and (7).

(8) The Kentucky ***Department of*** Revenue~~[Cabinet]~~ shall annually distribute ten percent (10%) of the premium tax revenues collected pursuant to this section to the Department of Insurance for the regulation of captive insurance companies under KRS 304.49-010 to 304.49-230.

Section 436. KRS 342.122 is amended to read as follows:

(1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the

liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

(b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky ***Department of*** Revenue~~[Cabinet]~~ shall credit nineteen million dollars ($19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars ($19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars ($4,750,000).

(d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.

(2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

(4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a group self-insurance association.

(5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the

insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Department for Employment Services, Cabinet for Workforce Development is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the ***Department of*** Revenue[~~ Cabinet~~] or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.

(10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Section 437. KRS 342.1223 is amended to read as follows:

(2) The commission shall:

(e) In conjunction with the Labor Cabinet, submit to the General Assembly, not later than October 31 of the year prior to each even-numbered-year regular legislative session, a proposed budget for the biennium beginning July 1 following the even-numbered-year regular session of the General Assembly;

(f) In conjunction with the Labor Cabinet, provide to the Interim Joint Committee on Appropriations and Revenue an annual budget and detailed quarterly financial reports;

(4) Notwithstanding the provisions of this chapter to the contrary, the Kentucky Workers' Compensation Funding Commission shall utilize the investment expertise and advice of the Office of Financial Management rather than entering into a consulting contract for investment counseling. The fees charged by financial institutions for managing the investments of the funds of the funding commission shall be paid from the investment earnings of the funds.

(5) The commission shall be attached to the Labor Cabinet for administrative purposes only.

Section 438. KRS 342.1224 is amended to read as follows:

(5) The board of directors shall appoint an executive director to administer, manage, and direct the affairs and business of the commission, and other staff persons to carry out the affairs and business of the commission, subject in each instance to the policies, control, and directions of the board of directors. The board of directors shall fix the compensation of all such persons and shall pay such compensation out of the funds of the commission.

(6) Notwithstanding any other law, the Governor, pursuant to an executive order, may cause the employees of the commission to be eligible to participate in the Kentucky Retirement System and the Kentucky Public Employees Deferred Compensation System.

The aggregate findings of such audits shall be presented to the ***commissioner***[~~secretary~~] of ***the Department of*** Revenue, the commissioner of insurance, the Kentucky Workers' Compensation Funding Commission, and the Governor.

(3) If the audits reveal noncompliance with subsection (1) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall notify the affected party of such fact. The affected party shall remit the amount in question not later than thirty (30) days following notification and the ***Department of*** Revenue[~~ Cabinet~~] shall institute a civil action in Franklin Circuit Court if remittance is not made within such thirty (30) day period.

(4) The failure of an insurance company to comply with the provisions of this section shall constitute grounds for the revocation by the commissioner of insurance of such entity's authority to write workers' compensation coverage in the Commonwealth.

(5) The ***Department of*** Revenue[~~ Cabinet~~] shall report to the commissioner of insurance the failure of any insurance company to comply with the provisions of this section and the commissioner shall institute revocation procedures of such entity's authority to write workers' compensation coverage in the Commonwealth.

If the

lawful owner or claimant does not assert his claim to the property after notification or if he renounces his claim to the property, the property shall be disposed of as provided in this section. It shall be the duty of all peace officers and other public officers or officials having knowledge of the lawful owner or claimant of property subject to forfeiture to report the same to the trial court before the act of forfeiture occurs."

(k)[~~(j)~~] Each school council shall annually review data on its students' performance as shown by the Commonwealth Accountability Testing System. The data shall include but not be limited to information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, and participation in the federal free and reduced price lunch program. After completing the review of data, each school council, with the involvement of parents, faculty, and staff, shall develop and adopt a plan to ensure that each student makes progress toward meeting the goals set forth in KRS 158.645 and 158.6451(1)(b) by April of each year and submit the plan to the superintendent and local board of education for review as described in KRS 160.340. The Kentucky Department of Education shall provide each school council the data needed to complete the review required by this paragraph no later than November 1 of each year. If a school does not have a council, the review shall be completed by the principal with the involvement of parents, faculty, and staff.

(3) The policy adopted by the local board to implement school-based decision making shall also address the following:

(a) School budget and administration, including: discretionary funds; activity and other school funds; funds for maintenance, supplies, and equipment; and procedures for authorizing reimbursement for training and other expenses;

(b) Assessment of individual student progress, including testing and reporting of student progress to students, parents, the school district, the community, and the state;

(c) School improvement plans, including the form and function of strategic planning and its relationship to district planning, as well as the school safety plan and requests for funding from the Center for School Safety under KRS 158.446;

(d) Professional development plans developed pursuant to KRS 156.095;

(e) Parent, citizen, and community participation including the relationship of the council with other groups;

(f) Cooperation and collaboration within the district, with other districts, and with other public and private agencies;

(g) Requirements for waiver of district policies;

(i) A process for appealing a decision made by a school council.

(4) In addition to the authority granted to the school council in this section, the local board may grant to the school council any other authority permitted by law. The board shall make available liability insurance coverage for the protection of all members of the school council from liability arising in the course of pursuing their duties as members of the council.

(5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school meeting its goal as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.

(6) The Department of Education shall provide professional development activities to assist schools in implementing school-based decision making. School council members elected for the first time shall complete a minimum of six (6) clock hours of training in the process of school-based decision making, no later than thirty (30) days after the beginning of the service year for which they are elected to serve. School council members who have served on a school council at least one (1) year shall complete a minimum of three (3) clock hours of training in the process of school-based decision making no later than one hundred twenty (120) days after the beginning of the service year for which they are elected to serve. Experienced members may participate in the training for new members to fulfill their training requirement. School council training required under this subsection shall be conducted by trainers endorsed by the Department of Education. By November 1 of each year, the principal through the local superintendent shall forward to the Department of Education the names and addresses of each council member and verify that the required training has been completed. School council members elected to fill a vacancy shall complete the applicable training within thirty (30) days of their election.

(7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making, including but not limited to a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the commissioner of education and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(8) The Kentucky Board of Education, upon recommendation of the commissioner of education, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council. Included in the school council formula shall be an allocation for professional development that is at least sixty-five percent (65%) of the district's per pupil state allocation for professional development for each student in average daily attendance in the school. The school council shall plan professional development in compliance with requirements specified in KRS 156.095, except as provided in KRS 158.649. School councils of small schools shall be encouraged to work with other school councils to maximize professional development opportunities.

(9) (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.

(b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.

(d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.

Section 4. KRS 160.350 is amended to read as follows:

(1) ***When there is a vacancy in the position of superintendent, the local board of education and the screening committee, as provided in KRS 160.352, shall receive training that meets the criteria established by the Department of Education in recruitment and interviewing techniques prior to carrying out the process of selecting a superintendent.***

(2) When there is a vacancy in the position of superintendent, the local board of education shall establish written criteria to be used by the screening committee, as provided in KRS 160.352, in recommending and the local board of education in selecting an applicant to be hired.

(3) When there is a vacancy in the position of superintendent, and before the notification required under Section 5 of this Act is made, the local board of education shall adopt a plan pursuant to administrative regulations of the Kentucky Board of Education for recruitment of applicants, including minority applicants, for that position. After completing the selection of the superintendent, the local board shall report on the activities conducted to recruit minority applicants.

(4) After considering the recommendations of a screening committee, as provided in KRS 160.352, each board of education shall appoint a superintendent of schools whose term of office shall begin on July 1, following his appointment. The appointment may be for a term of no more than four (4) years. In the event a vacancy occurs in the office of superintendent prior to the expiration of the term set by the board, the term shall expire on the date the vacancy occurs. Therefore, the board may appoint a superintendent for a new term as provided in this subsection, which shall begin on the date of the superintendent's appointment, except when the vacancy occurs after a school board election and before the newly elected members take office. When a vacancy occurs during this period, the position shall not be filled until the new members take office, but the board may appoint an acting superintendent to serve a term not to exceed six (6) months. This appointment may be renewed once for a period not to exceed three (3) months. If a vacancy occurs, a local board may also appoint an acting superintendent during the period the screening committee pursuant to KRS 160.352 conducts its business and prior to the actual appointment of the new superintendent. No superintendent shall resign his term and accept a new term from the same board of education prior to the expiration date of his present term. In the case of a vacancy in the office for an unexpired term, the board of education shall make the appointment so that the term will end on June 30. The board shall set the salary of the superintendent to be paid in regular installments.

(5)[~~(2)~~] Before any superintendent assumes his duties, he shall present to the board of education that appointed him a statement signed by the chief state school officer that the superintendent has been duly issued a certificate of administration and supervision issued in accordance with the provisions of law and which qualifies him to hold the position to which he has been appointed, and he shall hold such certificate throughout the period of his employment. A superintendent candidate who is to begin his duties after June 30, 1994, shall successfully complete the training program and assessment center process within one (1) year of assuming his duties as superintendent. A superintendent shall not serve as director or officer of a bank, trust company, or savings or loan association which has his school district funds on deposit. Following appointment, the superintendent shall establish residency in Kentucky.

(6)[~~(3)~~] A superintendent of schools may be removed for cause by a vote of four-fifths (4/5) of the membership of a board of education and upon approval by the chief state school officer. However, if the dismissal of the superintendent has been recommended by a highly skilled certified educator pursuant to KRS 158.6455 and the action is approved by the chief state school officer, the board shall terminate the superintendent's contract. Written notice setting out the charges for removal shall be spread on the minutes of the board and given to the superintendent. The board shall seek approval by the chief state school officer for removing the superintendent. The chief state school officer shall investigate the accuracy of the charges made, evaluate the superintendent's overall performance during his appointment, and consider the educational performance of the students in the district. Within thirty (30) days of notification, he shall either approve or reject the board's request.

(7)[~~(4)~~] After the completion of a superintendent's first contract or after four (4) years, whichever comes last, the board of education may, no later than June 30, extend the contract of the superintendent for one (1) additional year beyond the current term of employment.

Section 5. KRS 160.380 is amended to read as follows:

(1) As used in this section:

(a) ***"District-level vacancy" means any position vacancy created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a staff member in a local school district or a new position created in a local district, except those for which hiring is governed by the school-based decision-making process established under Section 3 of this Act.***

(b) "Relative" shall mean father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law, and daughter-in-law.

(c)[~~(b)~~]"Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

(2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year. No superintendent of schools shall appoint or transfer himself to another position within the school district.

(b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The chief state school officer shall keep a registry of local district vacancies which shall be made available to the public. The local school district shall post position openings in the local board office for public viewing.

(c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

(d) When a vacancy occurs ***in any certified or classified position*** in a local district, the superintendent shall conduct a search to locate minority ***candidates***[~~teachers~~] to be considered for the position. The superintendent shall, pursuant to administrative regulations of the Kentucky Board of Education, report annually the district's recruitment process***,***[~~ and~~] the activities used to increase the percentage of minority ***employees***[~~teachers~~] in the district***, and the district's plan for recruitment for the next school year.***

(e) The superintendent shall establish written criteria, which may be the job descriptions, to be used in selecting applicants to be hired in district-level vacancies.

However, this shall not apply to a relative who is a classified or certified employee of the school district for at least thirty-six (36) months prior to the superintendent assuming office, or prior to marrying a relative of the superintendent, and who is qualified for the position the employee holds. A superintendent's spouse who has at least twenty (20) years of service in school systems may be an employee of the school district. A superintendent's spouse who is employed under this provision shall not hold a position in which the spouse supervises certified or classified employees. A superintendent's spouse may supervise teacher aides and student teachers. However, the superintendent shall not promote a relative who continues employment under an exception of this subsection.

(g)[~~(f)~~] No superintendent shall employ a relative of a school board member of the district, unless on July 13, 1990, the board member's relative is an employee of the district, the board member is holding office, and the relative was not initially hired by the district during the tenure of the board member. A relative employed in 1989-90 and initially hired during the tenure of a board member serving on July 13, 1990, may continue to be employed during the remainder of the board member's term. However, the superintendent shall not promote any relative of a school board member who continues employment under the exception of this subsection.

(h)[~~(g)~~] 1. No principal's relative shall be employed in the principal's school, except a relative who is not the principal's spouse and who was employed in the principal's school during the 1989-90 school year.

2. No spouse of a principal shall be employed in the principal's school, except:

a. A principal's spouse who was employed in the principal's school during the 1989-90 school year for whom there is no position for which the spouse is certified to fill in another school operated in the district; or

3. A principal's spouse who is employed in the principal's school shall be evaluated by a school administrator other than the principal.

4. The provisions of KRS 161.760 shall not apply to any transfer made in order to comply with the provisions of this paragraph.

(3) No superintendent shall employ in any position in the district any person who is a violent offender or has been convicted of a sex crime as defined by KRS 17.165 which is classified as a felony. The superintendent may employ, at his discretion, persons convicted of sex crimes classified as a misdemeanor.

(4) (a) Beginning January 1, 1999, a superintendent shall require a national and state criminal background check on all new certified hires in the school district and student teachers assigned within the district. Excluded are certified individuals who were employed in another certified position in a Kentucky school district within six (6) months of

the date of hire and who had previously submitted to a national and state criminal background check for the previous employment.

(b) The superintendent shall require that each new certified hire and student teacher, as set forth in paragraph (a) of this subsection, submit to a national and state criminal history background check by the Kentucky State Police and the Federal Bureau of Investigation.

(c) All fingerprints requested under this section shall be on an applicant fingerprint card provided by Kentucky State Police. The fingerprint cards shall be forwarded to the Federal Bureau of Investigation from the Kentucky State Police after a state criminal background check is conducted. The results of the state and federal criminal background check shall be sent to the hiring superintendent. Any fee charged by the Kentucky State Police and the Federal Bureau of Investigation shall be an amount no greater than the actual cost of processing the request and conducting the search.

(d) The Education Professional Standards Board may promulgate administrative regulations to impose additional qualifications to meet the requirements of Public Law 92-544.

(5) A superintendent shall require a state criminal background check on all classified initial hires.

(a) The superintendent shall require that each classified initial hire submit to a state criminal history background check by the Kentucky State Police.

(b) Any request for records under this section shall be on an applicant fingerprint card provided by Kentucky State Police. The results of the state criminal background check shall be sent to the hiring superintendent. Any fee charged by the Kentucky State Police shall be an amount no greater than the actual cost of processing the request and conducting the search.

(6) (a) If a school term has begun and a certified or classified position remains unfilled or if a vacancy occurs during a school term, a superintendent may employ an individual, who will have supervisory or disciplinary authority over minors, on probationary status pending receipt of the criminal history background check. Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

(b) Employment shall be contingent on the receipt of the criminal history background check documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the school district of a criminal history background check documenting a record of a sex crime or as a violent offender as defined in KRS 17.165 and no further procedures shall be required.

(d) The provisions of KRS 161.790 shall apply to terminate employment of a certified employee on the basis of a criminal record other than a record of a sex crime or as a violent offender as defined in KRS 17.165.

Section 6. KRS 158.153 is amended to read as follows:

(1) Unless the action is taken pursuant to KRS 158.150, no school, school administrator, teacher, or other school employee shall expel or punish a child based on information contained in a record of an adjudication of delinquency or conviction of an offense received by the school pursuant to KRS 610.345 or from any other source. Nothing in this subsection shall be construed to prohibit a local school board or school official from instituting disciplinary proceedings against any student for violating the discipline policy of the school or school district or taking actions necessary to protect staff and students. Actions to protect staff and students may be taken only after the principal makes a determination that the conduct of the student reflected in the records of the school or obtained by the school from the court indicates a substantial likelihood of an immediate and continuing threat that the student will cause harm to students or staff, and that the restrictions to be ordered represent the least restrictive alternative available and appropriate to remedy the threat, and that the determination and supporting material be documented in the child's record. The action of the principal, in addition to or in lieu of any other procedure available, may be appealed by the child or the child's parent or guardian to the superintendent of the school system or to the Circuit Court in the county in which the school is located, and the appealing party may be represented by counsel.

(2) No school, school administrator, teacher, or other school employee who has custody of records received or maintained by the school pursuant to KRS 610.345 or who has received information contained in or relating to a record received by the school pursuant to KRS 610.345 shall disclose the fact of the record's existence, or any information contained in the record or received from the record to any other person, including but not limited to other teachers, school employees, pupils, or

parents other than the pupil, or parents of the pupil who is the subject of the record.

(3) The child and his parent or guardian shall have a civil cause of action against the school board and against any school administrator violating subsection (1) or (2) of this section or divulging information in violation of KRS 610.345 or 610.340. This civil cause of action shall be in addition to any other criminal or administrative remedy provided by law.

(4) Nothing in this section shall be construed to prohibit a local board of education from establishing districtwide standards of behavior for students who participate in extracurricular and cocurricular activities, including athletics. A school principal may deny or terminate a student's eligibility to participate in extracurricular or cocurricular activities if the student has violated the local district behavior standards or the council's criteria for participation, as described in KRS 160.345(2)*(j)*[~~(i)~~]8. A student's right to participate in extracurricular or cocurricular activities, including athletics, may be suspended, pending investigation of an allegation that the standards of behavior have been violated.

(1) Each year the authority shall under its Rural Economic Development Assistance Program, on the basis of the final unemployment figures calculated by the Department for Employment Services within the ***Education*** Cabinet ~~[for Workforce Development]~~, determine which counties have had a countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth in the most recent five (5) consecutive calendar years, or which have had an average countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth by two hundred percent (200%) in the most recent calendar year, and shall certify those counties as qualified counties. A county not certified on the basis of final unemployment figures may also be certified as a qualified county if the authority determines the county is one (1) of the sixty (60) most distressed counties in the Commonwealth based on the following criteria with equal weight given to each criterion:

(a) The average countywide rate of unemployment in the most recent three (3) consecutive calendar years, on the basis of final unemployment figures calculated by the Department for Employment Services in the ***Education*** Cabinet ~~[for Workforce Development]~~;

If the authority determines that a county which has previously been certified as a qualified county no longer meets the criteria of this subsection, the authority shall decertify that county. The authority shall not provide inducements for any facilities in that county and an approved company shall not be eligible for the inducements offered by KRS 154.22-010 to 154.22-070 unless the tax incentive agreements required herein are entered into by all parties prior to July 1 of the year following the calendar year in which the authority decertified that county. In addition, the authority shall certify coal-producing counties, not otherwise certified as qualified counties in this subsection, for economic development projects involving the new construction of electric generation facilities. A coal producing county shall mean a county in the Commonwealth of Kentucky that has produced coal upon which the tax imposed under KRS 143.020 was paid at any time. (2) The authority shall establish the procedures and standards for the determination and approval of eligible companies and their economic development projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A. The criteria for approval of eligible companies and economic development projects shall include but not be limited to the creditworthiness of eligible companies; the number of new jobs to be provided by an economic development project to residents of the Commonwealth; and the likelihood of the economic success of the economic development project.

(3) The economic development project shall involve a minimum investment of one hundred thousand dollars ($100,000) by the eligible company and shall result in the creation by the eligible company, within two (2) years from the date of the final approval authorizing the economic development project, of a minimum of fifteen (15) new full-time jobs at the site of the economic development project for Kentucky residents to be employed by the eligible company and to be held by persons subject to the personal income tax of the Commonwealth. The authority may extend this two (2) year period upon the written application of an eligible company requesting an extension.

(4) (a) Within six (6) months after the activation date, the approved company shall compensate a minimum of ninety percent (90%) of its full-time employees whose jobs were created with base hourly wages equal to either:

In addition to the applicable base hourly wage calculated above, the eligible company shall provide employee benefits equal to at least fifteen percent (15%) of the applicable base hourly wage; however, if the eligible company does not provide employee benefits equal to at least fifteen percent (15%) of the applicable base hourly wage, the eligible company may qualify under this section if it provides the employees hired by the eligible company as a result of the economic development project total hourly compensation equal to or greater than one hundred fifteen percent (115%) of the applicable base hourly wage through increased hourly wages combined with employee benefits.

For an eligible company, within a regional industrial park which lies within two (2) or more counties, the calculation of the wage and benefit requirement shall be determined by averaging the average county hourly wage for all counties within the regional industrial park.

(5) No economic development project which will result in the replacement of agribusiness, manufacturing, or electric generation facilities existing in the state shall be approved by the authority; however, the authority may approve an economic development project that:

(a) Rehabilitates an agribusiness, manufacturing, or electric generation facility:

Any economic development project satisfying the requirements of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the agribusiness, manufacturing, or electric generation facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority which results in a lease abandonment or lease termination by the approved company without the consent of the lessor.

(6) With respect to each eligible company making an application to the authority for inducements, and with respect to the economic development project described in the application, the authority shall request materials and make inquiries of the applicant as necessary or appropriate. Upon review of the application and completion of initial inquiries, the authority may, by resolution, give its preliminary approval by designating an eligible company as a preliminarily approved company and authorizing the undertaking of the economic development project. After preliminary approval, the authority may by final approval designate an eligible company to be an approved company.

(d) Any nonprofit organization which has been paying contributions under this chapter for a period subsequent to July 1, 1972, may change to a reimbursable basis by filing with the cabinet not later than thirty (30) days prior to the beginning of any calendar year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by such organization for that and the following year.

(e) The secretary may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after December 31, 1969.

(f) The secretary shall notify each nonprofit organization of any determination which may be made of its status as an employer and of the effective date of any election which it makes and of any termination of such election. Such determinations shall be subject to appeal and review in accordance with the provisions of KRS 341.430(2).

(3) Payments in lieu of contributions shall be made in accordance with the provisions of this subsection.

(a) At the end of each calendar quarter, the cabinet shall bill each nonprofit organization (or group of such organizations) which has elected to make payments in lieu of contributions for an amount equal to the full amount of regular benefits plus one-half (1/2) of the amount of extended benefits paid during such quarter plus any prior period adjustments, which are attributable to service performed in covered employment in the employ of such organization.

(b) Payment of any bill rendered under paragraph (a) shall be made not later than thirty (30) days after such bill was mailed to the last known address of the nonprofit organization or was otherwise delivered to it, unless there has been an application for review in accordance with paragraph (d) of this subsection.

(c) Payments made by any nonprofit organization under the provisions of this subsection shall not be deducted or deductible, in whole or in part, from the remuneration of workers in the employ of the organization.

(d) The amount due specified in any bill from the secretary shall be conclusive on the organization unless, not later than fifteen (15) days after the bill was mailed to its last known address or otherwise delivered to it, the organization files an appeal to the ***commission***[~~cabinet~~], setting forth the grounds for such appeal. Proceedings on appeal to the ***commission***[~~cabinet~~] from the amount of a bill rendered under this subsection shall be in accordance with the provisions of KRS 341.430 and the decision of the ***commission***[~~cabinet~~] shall be subject to review under the provisions of KRS 341.460(1).

(e) Past-due payments of amounts in lieu of contributions shall be subject to the same interest, penalties, collection service, and lien provisions that, pursuant to KRS 341.300 to 341.310, apply to past-due contributions.

(4) (a) The secretary may, in accordance with regulations prescribed by the cabinet, require any nonprofit organization that elects to become liable for payments in lieu of contributions to deposit with the cabinet, within thirty (30) days after the effective date of its election as a condition thereof, money equal to two percent (2%) of the organization's total wages paid for employment as defined in KRS 341.050(1)(e) for the four (4) calendar quarters immediately preceding the effective date of such election. If the nonprofit organization did not pay wages in each of such four (4) calendar quarters, the amount of the deposit shall be as determined by the secretary.

(b) Money deposited in accordance with this subsection shall be retained by the cabinet in an escrow account until all possible liability to the fund under the election is terminated, at which time it shall be returned to the organization, less any deductions as hereinafter provided. The cabinet may deduct from the money deposited under this subsection by a nonprofit organization to the extent necessary to satisfy any due and unpaid payments in lieu of contributions and any applicable interest and penalties provided for in paragraph (e) of subsection (3) of this section. The secretary shall require the organization within thirty (30) days following any deduction from a money deposit under the provisions of this subsection to deposit sufficient additional money to make whole the organization's deposit at the prior level. The secretary may, at any time, review the adequacy of the deposit made by any organization. If, as a result of such review, he determines that an adjustment is necessary, he shall require the organization to make additional deposit within thirty (30) days of written notice of his determination or shall return to it such portion of the deposit as he no longer considers necessary, whichever action is appropriate.

(c) If any nonprofit organization fails to make a deposit, or to increase or make whole the amount of a previously made deposit, as provided under this subsection, the secretary may terminate such organization's election to make payments in lieu of contributions and such termination shall continue for not less than the remainder of that calendar year and the following calendar year beginning with the quarter in which such termination becomes effective; provided, that the secretary may extend for good cause the applicable filing, deposit, or adjustment period by not more than sixty (60) days.

(5) If any nonprofit organization is delinquent in making payments in lieu of contributions as required under subsection (3) of this section, the secretary may terminate such organization's election to make payments in lieu of contributions as of the beginning of the next calendar year, and such termination shall be effective for that and the next calendar year.

(6) Notwithstanding any other section of this chapter, no employing unit electing to make payments in lieu of contributions under the provisions of this section shall be entitled to relief of benefit charges.

Section 115. KRS 341.370 is amended to read as follows:

(1) A worker shall be disqualified from receiving benefits for the duration of any period of unemployment with respect to which:

(a) He has failed without good cause either to apply for available, suitable work when so directed by the employment office or the secretary or to accept suitable work when offered him, or to return to his customary self-employment when so directed by the secretary; or

(b) He has been discharged for misconduct or dishonesty connected with his most recent work, or from any work which occurred after the first day of the worker's base period and which last preceded his most recent work, but legitimate activity in connection with labor organizations or failure to join a company union shall not be construed as misconduct; or

(c) He has left his most recent suitable work or any other suitable work which occurred after the first day of the worker's base period and which last preceded his most recent work voluntarily without good cause attributable to the employment. No otherwise eligible worker shall be disqualified from receiving benefits for leaving his next most recent suitable work which was concurrent with his most recent work, or for leaving work which is one hundred (100) road miles or more, as measured on a one (1) way basis, from his home to accept work which is less than one hundred (100) road miles from his home, or for otherwise accepting work which is a bona fide job offer with a reasonable expectation of continued employment.

(2) A worker shall be disqualified from receiving benefits for any week with respect to which he knowingly made a false statement to establish his right to or the amount of his benefits, and, within the succeeding twenty-four (24) months, for the additional weeks immediately following the date of discovery, not to exceed a total of fifty-two (52), as may be determined by the secretary.

(3) No worker shall be disqualified under paragraph (b) or (c) of subsection (1) of this section unless the employer, within a reasonable time as prescribed by regulations promulgated by the secretary, notifies the ***Finance and Administration*** Cabinet~~[for Workforce Development]~~ and the worker in writing of the alleged voluntary quitting or the discharge for misconduct. Nothing in this subsection shall restrict the right of the secretary to disqualify a worker whose employer has refused or failed to notify the ***Finance and Administration*** Cabinet~~[for Workforce Development]~~ of the alleged voluntary quitting or discharge for misconduct, if the alleged voluntary quitting or discharge for misconduct is known to the secretary prior to the time benefits are paid to the worker. The exercise of the right by the secretary, in the absence of timely notice from the employer, shall not relieve the employer's reserve account or reimbursing employer's account of benefit charges under the provisions of subsection (3) of KRS 341.530.

(4) As used in this section and in subsection (3) of KRS 341.530, "most recent" work shall be construed as that work which occurred after the first day of the worker's base period and which last preceded the week of unemployment with respect to which benefits are claimed; except that, if the work last preceding the week of unemployment was seasonal, intermittent, or temporary in nature, most recent work may be construed as that work last preceding the seasonal, intermittent, or temporary work.

(5) No worker shall be disqualified or held ineligible under the provisions of this section or KRS 341.350, who is separated from employment pursuant to a labor management contract or agreement, or pursuant to an established employer plan, program, or policy, which permits the employer to close the plant or facility for purposes of vacation or maintenance.

(6) "Discharge for misconduct" as used in this section shall include, but not be limited to, separation initiated by an employer for falsification of an employment application to obtain employment through subterfuge; knowing violation of a reasonable and uniformly enforced rule of an employer; unsatisfactory attendance if the worker cannot show good cause for absences or tardiness; damaging the employer's property through gross negligence; refusing to obey reasonable instructions; reporting to work under the influence of alcohol or drugs or consuming alcohol or drugs on employer's premises during working hours; conduct endangering safety of self or co-workers; and incarceration in jail following conviction of a misdemeanor or felony by a court of competent jurisdiction, which results in missing at least five (5) days work.

(7) "Duration of any period of unemployment," as that term is used in this section, shall be the period of time beginning with the worker's discharge, voluntary quitting, or failure to apply for or accept suitable work and running until the worker has worked in each of ten (10) weeks, whether or not consecutive, and has earned ten (10) times his weekly benefit rate in employment covered under the provisions of this chapter or a similar law of another state or of the United States.

Section 116. KRS 341.420 is amended to read as follows:

(1) The secretary shall appoint one (1) or more impartial referees according to KRS 341.125 to hear and decide appealed claims.

(2) A party to a determination may file an appeal to a referee as to any matter therein within fifteen (15) days after the date such determination was mailed to his last known address.

(3) If benefits are allowed by a determination of the secretary, or a decision of a referee ***or the commission***, the secretary or a reviewing-court, such benefits shall be paid promptly without regard to the pendency of an appeal or period for filing an appeal therefrom. If a determination or decision allowing benefits is modified or reversed by a subsequent determination or decision, benefits shall be paid or denied for weeks of unemployment thereafter in accordance with such modification or denial. No injunction, supersedeas, stay or other writ or process suspending payment of such benefits shall be issued.

(4) Unless such appeal is withdrawn, a referee, after affording the parties reasonable opportunity for a fair hearing, shall affirm or modify the determination. The parties shall be duly notified of his decision, together with the reasons therefor, which shall be deemed to be the final decision unless within fifteen (15) days after the date of mailing of such decision, further appeal is initiated under KRS 341.430.

(5) No finding of fact or law, judgment, conclusion, or final order made with respect to a claim for unemployment compensation under this chapter may be conclusive or binding in any separate or subsequent action or proceeding in another forum, except proceedings under this chapter, regardless of whether the prior action was between the same or related parties or involved the same facts.

Section 117. KRS 341.440 is amended to read as follows:

(1) The manner in which appeals are presented and hearings and appeals conducted shall be in accordance with regulations prescribed by the secretary for determining the rights of the parties, such hearings to be conducted in a summary manner. A

complete record shall be kept of all proceedings in connection with any appeal. All testimony at any hearing upon an appeal shall be recorded either stenographically or mechanically, but need not be transcribed unless further appealed. No examiner, referee or member of the commission shall participate in any hearing in which he is an interested party.

(2) Witnesses subpoenaed pursuant to proceedings under KRS 341.420 and 341.430 shall be allowed fees in accordance with rates allowed by law. Such fees and all expenses of proceedings before the ***cabinet***~~[department]~~ or commission involving disputed claims shall be deemed a part of the expense of administering this chapter.

(3) In the absence of an appeal therefrom, decisions of the commission shall become final twenty (20) days after the date they are made.

Section 118. KRS 341.470 is amended to read as follows:

(1) No agreement by a worker to waive, release, or commute his rights to benefits or any other rights under this chapter shall be valid. No agreement by any worker to pay any portion of a subject employer's contributions, required under this chapter from such subject employer, shall be valid. No subject employer shall directly or indirectly make or require or accept any deductions from wages to finance the subject employer's contributions required of him. In cases involving awards to a worker by an arbitrator, court, or other administrative body or mediator, the secretary may require the employer to withhold benefits paid under this chapter from the award and pay the amount withheld into the unemployment insurance trust fund. All subject employers are required to notify the ***Finance and Administration Cabinet***~~[Department for Employment Services, Cabinet for Workforce Development]~~ prior to paying any back pay award.

(2) No worker claiming benefits shall be charged fees of any kind in any proceeding under this chapter by the commission, the secretary, or his ***or her*** representatives. Any worker claiming benefits in any proceeding before a referee or the commission may represent himself ***or herself*** or may be represented by counsel or other agent duly authorized by such worker and shall be afforded the opportunity to participate in the proceeding without restriction; but no counsel or agent shall either charge or receive for such service more than an amount approved by the commission.

(3) (a) Any employer in any proceeding before a referee or the commission may represent himself ***or herself*** or may be represented by counsel or other agent duly authorized by such employer; and

(b) Any person appearing in any proceeding before a referee or the commission who is an officer of, or who regularly performs in a managerial capacity for, a corporation or partnership which is a party to the proceeding in which the appearance is made shall be permitted to represent such corporation or partnership and shall be afforded the opportunity to participate in the proceeding without restriction.

(4) No assignment, pledge, or encumbrance of any right to benefits due or payable under this chapter shall be valid; and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy for the collection of debt. Benefits received by any worker, as long as they are not mingled with other funds of the recipient, shall be exempt from any remedy for the collection of all debts except debts incurred for necessaries furnished to such worker or his spouse or dependents during the time such worker was unemployed. No waiver of any exemption provided for in this subsection shall be valid.

(5) The provisions of this section shall not be applicable to child support deductions made in accordance with KRS 341.392 and withholding for federal and state income tax in accordance with KRS 341.395.

Section 119. KRS 341.530 is amended to read as follows:

(1) The ***cabinet***~~[department]~~ shall maintain a reserve account for each subject employer making contributions to the fund and a reimbursing employer account for each subject employer making payment in lieu of contributions, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions or benefit reimbursement paid by the employer on his own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.

(2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 to 341.740, subject to the provisions of paragraphs (a) and (b) below, shall be charged against the reserve account or reimbursing employer account of his most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits are payable shall have worked for such employer in each of ten (10) weeks whether or not consecutive back to the beginning of the worker's base period.

(a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (1/2) of the extended benefits paid in accordance with KRS 341.700 to 341.740; and

(b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 to 341.740 for compensable weeks occurring on or after January 1, 1979, and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.

(3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to a contributing employer's reserve account under such subsection shall be charged against the pooled account if such worker was discharged by such employer for misconduct connected with his most recent work for such employer, voluntarily left his most recent work with such employer without good cause attributable to the employment, or the employer has continued to provide part-time employment and wages, without interruption, to the same extent that was provided from the date of hire, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the

cabinet~~[department]~~, in writing, of the alleged voluntary quitting, discharge for misconduct or continuing part-time employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.

(4) Each subject employer's reserve account or reimbursing account shall, unless terminated as of the computation date (as defined in subsection (5) of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account or reimbursing account under subsection (2) of this section. A subject employer's reserve account or reimbursing account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540 or has been refunded if the employer is a reimbursing employer.

(5) Notwithstanding subsection (1) of this section, two (2) or more nonprofit (Internal Revenue Code sec. 501(c)(3)) organizations may jointly request the secretary to establish a group reserve account or reimbursing account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account or reimbursing account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he deems necessary for the establishment, maintenance, and dissolution of a group reserve account or reimbursing account.

(6) Any subject contributing employer may at any time make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid on or before the computation date and voluntary payments made within twenty (20) days following the mailing of notices of new rates shall be credited to an employer's reserve account as of the computation date, provided no voluntary payments shall be used in computing an employer's rate unless the payment is made prior to the expiration of one hundred and twenty (120) days after the beginning of the year for which the rate is effective. Voluntary contributions by any employer subject to a minimum rate as provided in KRS 341.270(2) or KRS 341.272(1) shall not exceed any negative balance they may have in their reserve account as of the computation date. Any employer who is delinquent in the payment of contributions, penalties, or interest as of the computation date shall be entitled to make voluntary payments only after the amount of the delinquency is paid in full.

Section 120. KRS 341.990 is amended to read as follows:

(1) Any employee of any state department who violates any of the provisions of KRS 341.110 to 341.230 shall be guilty of a Class B misdemeanor.

(2) Any person subpoenaed to appear and testify or produce evidence in an inquiry, investigation, or hearing conducted under this chapter who fails to obey the subpoena shall be guilty of a Class B misdemeanor.

(3) Any subject employer, or officer or agent of a subject employer, who violates subsection (1) of KRS 341.470 shall be guilty of a Class A misdemeanor.

(4) Any person who violates subsection (2) of KRS 341.470 shall be guilty of a Class A misdemeanor.

(5) Any person who knowingly makes a false statement or representation of a material fact or knowingly fails to disclose a material fact to the secretary to obtain or increase any benefit under this chapter or under an employment security law of any other state, or of the federal government, either for himself or for any other person, business entity, or organization shall be guilty of a Class A misdemeanor unless the value of the benefits procured or attempted to be procured is one hundred dollars ($100) or more, in which case he shall be guilty of a Class D felony.

(6) (a) Any person who knowingly makes a false statement or representation, or who knowingly fails to disclose a material fact to prevent or reduce the payment of benefits to any worker entitled thereto, or to avoid becoming or remaining subject to this chapter, or to avoid or reduce any payment required of an employing unit under this chapter shall be guilty of a Class A misdemeanor unless the liability avoided or attempted to be avoided is one hundred dollars ($100) or more, in which case he shall be guilty of a Class D felony.

(b) Any person who willfully fails or refuses to furnish any reports required, or to produce or permit the inspection or copying of records required in this chapter shall be guilty of a Class B misdemeanor. Each such false statement, representation or failure and each day of failure or refusal shall constitute a separate offense.

(7) In any prosecution for the violation of subsection (5) or (6) of this section, it shall be a defense if the person relied on the advice of an employee or agent of the ***cabinet***~~[department]~~.

(8) Any person who willfully violates any provision of this chapter or any rule or regulation under it, the violation of which is made unlawful or the observance of which is required under the terms of this chapter, and for which no specific penalty is prescribed in this chapter or in any other applicable statute, shall be guilty of a violation. Each day the violation continues shall constitute a separate offense.

Section 121. KRS 342.0011 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Injury" means any work-related traumatic event or series of traumatic events, including cumulative trauma, arising out of and in the course of employment which is the proximate cause producing a harmful change in the human organism

evidenced by objective medical findings. "Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury.

(2) "Occupational disease" means a disease arising out of and in the course of the employment.

(3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(4) "Injurious exposure" shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which the claim is made.

(5) "Death" means death resulting from an injury or occupational disease.

(6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer.

(7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter.

(8) "Department" means the Department of Workers' Claims in the Labor Cabinet.

(9) "Commissioner" means the commissioner of the Department of Workers' Claims.

(10) "Board" means the Workers' Compensation Board.

(11) (a) "Temporary total disability" means the condition of an employee who has not reached maximum medical improvement from an injury and has not reached a level of improvement that would permit a return to employment;

(b) "Permanent partial disability" means the condition of an employee who, due to an injury, has a permanent disability rating but retains the ability to work; and

(c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:

1. Total and permanent loss of sight in both eyes;
2. Loss of both feet at or above the ankle;
3. Loss of both hands at or above the wrist;
4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;
5. Permanent and complete paralysis of both arms, both legs, or one (1) arm and one (1) leg;
6. Incurable insanity or imbecility; or
7. Total loss of hearing.

(12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

(13) "Medical and related benefits" means payments made for medical, hospital, burial, and other services as provided in this chapter, other than income benefits.

(14) "Compensation" means all payments made under the provisions of this chapter representing the sum of income benefits and medical and related benefits.

(15) "Medical services" means medical, surgical, dental, hospital, nursing, and medical rehabilitation services, medicines, and fittings for artificial or prosthetic devices.

(16) "Person" means any individual, partnership, including a registered limited liability partnership, limited partnership, limited liability company, firm, association, trust, joint venture, corporation, limited liability company, or legal representative thereof.

(17) "Wages" means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, fuel, or similar advantages received from the employer, and gratuities received in the course of employment from persons other than the employer as evidenced by the employee's federal and state tax returns.

(18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting, and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with the farm

operations. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market.

(19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter.

(20) "United States," when used in a geographic sense, means the several states, the District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, and the territories of the United States.

(21) "Alien" means a person who is not a citizen, a national, or a resident of the United States or Canada. Any person not a citizen or national of the United States who relinquishes or is about to relinquish his residence in the United States shall be regarded as an alien.

(22) "Insurance carrier" means every insurance carrier or insurance company authorized to do business in the Commonwealth writing workers' compensation insurance coverage and includes the Kentucky Employers Mutual Insurance Authority and every group of self-insurers operating under the provisions of this chapter.

(23) (a) "Severance or processing of coal" means all activities performed in the Commonwealth at underground, auger, and surface mining sites; all activities performed at tipple or processing plants that clean, break, size, or treat coal; and all activities performed at coal loading facilities for trucks, railroads, and barges. Severance or processing of coal shall not include acts performed by a final consumer if the acts are performed at the site of final consumption.

(b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, including registered limited liability partnerships, limited partnerships, limited liability companies, corporations, joint ventures, associations, or any other business entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether the acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including, but not limited to, administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.

(24) "Premium" for every group of self-insurers means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group.

(25) (a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the Kentucky Department of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.

(b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

(c) "Premium," for policies effective on or after January 1, 1994, for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

(d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.

(26) "Insurance policy" for an insurance company or group self-insurer means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year.

(27) "Self-insurance year" for a group self-insurer means the annual period of certification of the group created pursuant to KRS 342.350(4).

(28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department for Employment Services, ***Finance and Administration*** Cabinet~~[for Workforce Development]~~. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department for Employment Services data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

(d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured the risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection.

(h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents ($0.30) per one hundred dollars ($100) of the employer's most recent annualized payroll for employees covered by this chapter.

(29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.

(30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

(31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits.

(32) "Physician" means physicians and surgeons, psychologists, optometrists, dentists, podiatrists, and osteopathic and chiropractic practitioners acting within the scope of their license issued by the Commonwealth.

(33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods.

(34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy.

(35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest available edition.

(36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b).

Section 122. KRS 342.122 is amended to read as follows:

(1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

(b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Revenue Cabinet shall credit nineteen million dollars ($19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding

Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars ($19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars ($4,750,000).

(d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.

(2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

(4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a group self-insurance association.

(5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The ***Finance and Administration Cabinet***~~[Department for Employment Services, Cabinet for Workforce Development]~~ is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.

(10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Section 123. KRS 342.143 is amended to read as follows:

For the purposes of this chapter, the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. The average weekly wage shall be certified to the commissioner by the ***Finance and Administration*** Cabinet[~~ for Workforce Development~~] in a manner prescribed by the commissioner by administrative regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disability in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination. Whenever a change in the average weekly wage of the state is of such amount that the minimum weekly income benefits for total disability or for death are increased or decreased by one dollar ($1) or more, or the maximum weekly income benefits for total disability or for death are increased or decreased by two dollars ($2) or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect this increase or decrease, but no change in such limitations shall otherwise be made. Notwithstanding the provisions of this section, KRS 342.140, 342.740, or any other provisions of this chapter to the contrary, the average weekly wage for calendar years 1995 and 1996 shall be determined to be no higher than the average weekly wage determined by the commissioner to be in effect in the calendar year of 1994. If the average weekly wage calculated by the commissioner is determined to be lower than the 1994 calendar year wage, the average weekly wage may be lowered as provided by this section. Beginning in calendar year 1997 and annually thereafter, the average weekly wage shall be calculated based upon the state average weekly wage in effect two (2) years prior to that calculation.

Section 124. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment.

(2) The commissioner shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public.

(3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service likely to return the employee to suitable, gainful employment, be provided at the expense of the employer or his insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging, or travel shall be paid for by the employer or his insurance carrier.

(5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The commissioner shall cooperate on a reciprocal basis with the Department of Vocational Rehabilitation***,***[~~ and~~] the Department for Employment Services of the ***Education***[~~Kentucky~~] Cabinet***, and the Finance and Administration Cabinet***[~~ for Workforce Development~~]. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Department of Vocational Rehabilitation or Department for Employment Services following the refusal by the employer or his insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or his insurance carrier as apportioned in the award. This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on April 4, 1994.

(7) An employee who is enrolled and participating in a program of rehabilitation training pursuant to this section may elect to receive an acceleration of benefits as awarded under KRS 342.730. Such acceleration shall be available to the employee during the period of retraining, but in no event shall be paid in a weekly amount greater than sixty-six and two-thirds percent (66-2/3%) of the average weekly wage upon which the award is based, not to exceed one hundred percent (100%) of the state average weekly wage. Upon successful completion of the rehabilitation program, the total of all accelerated

benefits paid shall be deducted on a dollar-for-dollar basis, without discount, from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, if any, shall then be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. If a program of rehabilitation training is terminated by the employee prior to completion, all sums paid on an accelerated basis shall be discounted at the rate set forth in KRS 342.265 and then deducted on a dollar-for-dollar basis from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, after the discount, shall be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. In no event shall this subsection be construed as requiring payment of benefits in excess of the total of those benefits which would otherwise be payable under the award.

Section 125. KRS 342.740 is amended to read as follows:

(1) For the purposes of this chapter, the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12). The average annual wage thus obtained shall be divided by 52 and the average weekly wage thus determined rounded to the nearest cent. This average weekly wage shall be certified to the commissioner by the ***Finance and Administration*** Cabinet[~~ for Workforce Development~~] in a manner prescribed by the commissioner by administrative regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disablement in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination.

(2) Whenever a change in the average weekly wage of the state is of an amount that increases or decreases the minimum weekly income benefits for total disability or death by $1 or more, or the maximum weekly income benefits for total disability or for death by $2 or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect the increase or decrease, but no change in these limitations shall otherwise be made.

Section 126. KRS 439.179 is amended to read as follows:

(8) The jailer may refuse to permit the prisoner to exercise his privilege to leave the jail as provided in subsection (1) for any breach of discipline or other violation of jail regulations for a period not to exceed five (5) days.

(9) In counties containing an urban-county form of government, the duties, responsibilities, and obligations vested herein in the Department of Corrections shall be performed by the adult misdemeanant probation and work release agency of the urban-county government.

(b) Money deposited in accordance with this subsection shall be retained by the cabinet in an escrow account until all possible liability to the fund under the election is terminated, at which time it shall be returned to the organization, less any deductions as hereinafter provided. The cabinet may deduct from the money deposited under this subsection by a nonprofit organization to the extent necessary to satisfy any due and unpaid payments in lieu of contributions and any applicable interest and penalties provided for in paragraph (e) of subsection (3) of this section. The secretary shall require the organization within thirty (30) days following any deduction from a money deposit under the provisions of this subsection to deposit sufficient additional money to make whole the organization's deposit at the prior level. The secretary may, at any time, review the adequacy of the deposit made by any organization. If, as a result of such review, he determines that an adjustment is necessary, he shall require the organization to make additional deposit within thirty (30) days of written notice of his determination or shall return to it such portion of the deposit as he no longer considers necessary, whichever action is appropriate.

(c) If any nonprofit organization fails to make a deposit, or to increase or make whole the amount of a previously made deposit, as provided under this subsection, the secretary may terminate such organization's election to make payments in lieu of contributions and such termination shall continue for not less than the remainder of that calendar year and the following calendar year beginning with the quarter in which such termination becomes effective; provided, that the secretary may extend for good cause the applicable filing, deposit, or adjustment period by not more than sixty (60) days.

(5) If any nonprofit organization is delinquent in making payments in lieu of contributions as required under subsection (3) of this section, the secretary may terminate such organization's election to make payments in lieu of contributions as of the beginning of the next calendar year, and such termination shall be effective for that and the next calendar year.

(6) Notwithstanding any other section of this chapter, no employing unit electing to make payments in lieu of contributions under the provisions of this section shall be entitled to relief of benefit charges.

Section 115. KRS 341.370 is amended to read as follows:

(1) A worker shall be disqualified from receiving benefits for the duration of any period of unemployment with respect to which:

(a) He has failed without good cause either to apply for available, suitable work when so directed by the employment office or the secretary or to accept suitable work when offered him, or to return to his customary self-employment when so directed by the secretary; or

(b) He has been discharged for misconduct or dishonesty connected with his most recent work, or from any work which occurred after the first day of the worker's base period and which last preceded his most recent work, but legitimate activity in connection with labor organizations or failure to join a company union shall not be construed as misconduct; or

(c) He has left his most recent suitable work or any other suitable work which occurred after the first day of the worker's base period and which last preceded his most recent work voluntarily without good cause attributable to the employment. No otherwise eligible worker shall be disqualified from receiving benefits for leaving his next most recent suitable work which was concurrent with his most recent work, or for leaving work which is one hundred (100) road miles or more, as measured on a one (1) way basis, from his home to accept work which is less than one hundred (100) road miles from his home, or for otherwise accepting work which is a bona fide job offer with a reasonable expectation of continued employment.

(2) A worker shall be disqualified from receiving benefits for any week with respect to which he knowingly made a false statement to establish his right to or the amount of his benefits, and, within the succeeding twenty-four (24) months, for the additional weeks immediately following the date of discovery, not to exceed a total of fifty-two (52), as may be determined by the secretary.

(3) No worker shall be disqualified under paragraph (b) or (c) of subsection (1) of this section unless the employer, within a reasonable time as prescribed by regulations promulgated by the secretary, notifies the ***Finance and Administration*** Cabinet~~[for Workforce Development]~~ and the worker in writing of the alleged voluntary quitting or the discharge for misconduct. Nothing in this subsection shall restrict the right of the secretary to disqualify a worker whose employer has refused or failed to notify the ***Finance and Administration*** Cabinet~~[for Workforce Development]~~ of the alleged voluntary quitting or discharge for misconduct, if the alleged voluntary quitting or discharge for misconduct is known to the secretary prior to the time benefits are paid to the worker. The exercise of the right by the secretary, in the absence of timely notice from the employer, shall not relieve the employer's reserve account or reimbursing employer's account of benefit charges under the provisions of subsection (3) of KRS 341.530.

(4) As used in this section and in subsection (3) of KRS 341.530, "most recent" work shall be construed as that work which occurred after the first day of the worker's base period and which last preceded the week of unemployment with respect to which benefits are claimed; except that, if the work last preceding the week of unemployment was seasonal, intermittent, or temporary in nature, most recent work may be construed as that work last preceding the seasonal, intermittent, or temporary work.

(5) No worker shall be disqualified or held ineligible under the provisions of this section or KRS 341.350, who is separated from employment pursuant to a labor management contract or agreement, or pursuant to an established employer plan, program, or policy, which permits the employer to close the plant or facility for purposes of vacation or maintenance.

(6) "Discharge for misconduct" as used in this section shall include, but not be limited to, separation initiated by an employer for falsification of an employment application to obtain employment through subterfuge; knowing violation of a reasonable and uniformly enforced rule of an employer; unsatisfactory attendance if the worker cannot show good cause for absences or tardiness; damaging the employer's property through gross negligence; refusing to obey reasonable instructions; reporting to work under the influence of alcohol or drugs or consuming alcohol or drugs on employer's premises during working hours; conduct endangering safety of self or co-workers; and incarceration in jail following conviction of a misdemeanor or felony by a court of competent jurisdiction, which results in missing at least five (5) days work.

(7) "Duration of any period of unemployment," as that term is used in this section, shall be the period of time beginning with

the worker's discharge, voluntary quitting, or failure to apply for or accept suitable work and running until the worker has worked in each of ten (10) weeks, whether or not consecutive, and has earned ten (10) times his weekly benefit rate in employment covered under the provisions of this chapter or a similar law of another state or of the United States.

Section 116. KRS 341.420 is amended to read as follows:

(1) The secretary shall appoint one (1) or more impartial referees according to KRS 341.125 to hear and decide appealed claims.

(2) A party to a determination may file an appeal to a referee as to any matter therein within fifteen (15) days after the date such determination was mailed to his last known address.

(3) If benefits are allowed by a determination of the secretary, or a decision of a referee ***or the commission***, the secretary or a reviewing-court, such benefits shall be paid promptly without regard to the pendency of an appeal or period for filing an appeal therefrom. If a determination or decision allowing benefits is modified or reversed by a subsequent determination or decision, benefits shall be paid or denied for weeks of unemployment thereafter in accordance with such modification or denial. No injunction, supersedeas, stay or other writ or process suspending payment of such benefits shall be issued.

(4) Unless such appeal is withdrawn, a referee, after affording the parties reasonable opportunity for a fair hearing, shall affirm or modify the determination. The parties shall be duly notified of his decision, together with the reasons therefor, which shall be deemed to be the final decision unless within fifteen (15) days after the date of mailing of such decision, further appeal is initiated under KRS 341.430.

(5) No finding of fact or law, judgment, conclusion, or final order made with respect to a claim for unemployment compensation under this chapter may be conclusive or binding in any separate or subsequent action or proceeding in another forum, except proceedings under this chapter, regardless of whether the prior action was between the same or related parties or involved the same facts.

Section 117. KRS 341.440 is amended to read as follows:

(1) The manner in which appeals are presented and hearings and appeals conducted shall be in accordance with regulations prescribed by the secretary for determining the rights of the parties, such hearings to be conducted in a summary manner. A complete record shall be kept of all proceedings in connection with any appeal. All testimony at any hearing upon an appeal shall be recorded either stenographically or mechanically, but need not be transcribed unless further appealed. No examiner, referee or member of the commission shall participate in any hearing in which he is an interested party.

(2) Witnesses subpoenaed pursuant to proceedings under KRS 341.420 and 341.430 shall be allowed fees in accordance with rates allowed by law. Such fees and all expenses of proceedings before the ***cabinet***[~~department~~] or commission involving disputed claims shall be deemed a part of the expense of administering this chapter.

(3) In the absence of an appeal therefrom, decisions of the commission shall become final twenty (20) days after the date they are made.

Section 118. KRS 341.470 is amended to read as follows:

(1) No agreement by a worker to waive, release, or commute his rights to benefits or any other rights under this chapter shall be valid. No agreement by any worker to pay any portion of a subject employer's contributions, required under this chapter from such subject employer, shall be valid. No subject employer shall directly or indirectly make or require or accept any deductions from wages to finance the subject employer's contributions required of him. In cases involving awards to a worker by an arbitrator, court, or other administrative body or mediator, the secretary may require the employer to withhold benefits paid under this chapter from the award and pay the amount withheld into the unemployment insurance trust fund. All subject employers are required to notify the ***Finance and Administration Cabinet***[~~Department for Employment Services, Cabinet for Workforce Development~~] prior to paying any back pay award.

(2) No worker claiming benefits shall be charged fees of any kind in any proceeding under this chapter by the commission, the secretary, or his ***or her*** representatives. Any worker claiming benefits in any proceeding before a referee or the commission may represent himself ***or herself*** or may be represented by counsel or other agent duly authorized by such worker and shall be afforded the opportunity to participate in the proceeding without restriction; but no counsel or agent shall either charge or receive for such service more than an amount approved by the commission.

(3) (a) Any employer in any proceeding before a referee or the commission may represent himself ***or herself*** or may be represented by counsel or other agent duly authorized by such employer; and

(b) Any person appearing in any proceeding before a referee or the commission who is an officer of, or who regularly performs in a managerial capacity for, a corporation or partnership which is a party to the proceeding in which the appearance is made shall be permitted to represent such corporation or partnership and shall be afforded the opportunity to participate in the proceeding without restriction.

(4) No assignment, pledge, or encumbrance of any right to benefits due or payable under this chapter shall be valid; and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy for the collection of debt. Benefits received by any worker, as long as they are not mingled with other funds of the recipient, shall be exempt from any remedy for the collection of all debts except debts incurred for necessaries furnished to such worker or his spouse or dependents during the time such worker was unemployed. No waiver of any exemption provided for in this subsection shall be valid.

(5) The provisions of this section shall not be applicable to child support deductions made in accordance with KRS 341.392 and withholding for federal and state income tax in accordance with KRS 341.395.

Section 119. KRS 341.530 is amended to read as follows:

(1) The ***cabinet***[~~department~~] shall maintain a reserve account for each subject employer making contributions to the fund and a reimbursing employer account for each subject employer making payment in lieu of contributions, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions or benefit reimbursement paid by the employer on his own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.

(2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 to 341.740, subject to the provisions of paragraphs (a) and (b) below, shall be charged against the reserve account or reimbursing employer account of his most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits are payable shall have worked for such employer in each of ten (10) weeks whether or not consecutive back to the beginning of the worker's base period.

(a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (1/2) of the extended benefits paid in accordance with KRS 341.700 to 341.740; and

(b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 to 341.740 for compensable weeks occurring on or after January 1, 1979, and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.

(3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to a contributing employer's reserve account under such subsection shall be charged against the pooled account if such worker was discharged by such employer for misconduct connected with his most recent work for such employer, voluntarily left his most recent work with such employer without good cause attributable to the employment, or the employer has continued to provide part-time employment and wages, without interruption, to the same extent that was provided from the date of hire, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the ***cabinet***[~~department~~], in writing, of the alleged voluntary quitting, discharge for misconduct or continuing part-time employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.

(4) Each subject employer's reserve account or reimbursing account shall, unless terminated as of the computation date (as defined in subsection (5) of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account or reimbursing account under subsection (2) of this section. A subject employer's reserve account or reimbursing account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540 or has been refunded if the employer is a reimbursing employer.

(5) Notwithstanding subsection (1) of this section, two (2) or more nonprofit (Internal Revenue Code sec. 501(c)(3)) organizations may jointly request the secretary to establish a group reserve account or reimbursing account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account or reimbursing account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he deems necessary for the establishment, maintenance, and dissolution of a group reserve account or reimbursing account.

(6) Any subject contributing employer may at any time make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid on or before the computation date and voluntary payments made within twenty (20) days following the mailing of notices of new rates shall be credited to an employer's reserve account as of the computation date, provided no voluntary payments shall be used in computing an employer's rate unless the payment is made prior to the expiration of one hundred and twenty (120) days after the beginning of the year for which the rate is effective. Voluntary contributions by any employer subject to a minimum rate as provided in KRS 341.270(2) or KRS 341.272(1) shall not exceed any negative balance they may have in their reserve account as of the computation date. Any employer who is delinquent in the payment of contributions, penalties, or interest as of the computation date shall be entitled to make voluntary payments only after the amount of the delinquency is paid in full.

Section 120. KRS 341.990 is amended to read as follows:

(1) Any employee of any state department who violates any of the provisions of KRS 341.110 to 341.230 shall be guilty of a Class B misdemeanor.

(2) Any person subpoenaed to appear and testify or produce evidence in an inquiry, investigation, or hearing conducted under this chapter who fails to obey the subpoena shall be guilty of a Class B misdemeanor.

(3) Any subject employer, or officer or agent of a subject employer, who violates subsection (1) of KRS 341.470 shall be

guilty of a Class A misdemeanor.

(4) Any person who violates subsection (2) of KRS 341.470 shall be guilty of a Class A misdemeanor.

(5) Any person who knowingly makes a false statement or representation of a material fact or knowingly fails to disclose a material fact to the secretary to obtain or increase any benefit under this chapter or under an employment security law of any other state, or of the federal government, either for himself or for any other person, business entity, or organization shall be guilty of a Class A misdemeanor unless the value of the benefits procured or attempted to be procured is one hundred dollars ($100) or more, in which case he shall be guilty of a Class D felony.

(6) (a) Any person who knowingly makes a false statement or representation, or who knowingly fails to disclose a material fact to prevent or reduce the payment of benefits to any worker entitled thereto, or to avoid becoming or remaining subject to this chapter, or to avoid or reduce any payment required of an employing unit under this chapter shall be guilty of a Class A misdemeanor unless the liability avoided or attempted to be avoided is one hundred dollars ($100) or more, in which case he shall be guilty of a Class D felony.

(b) Any person who willfully fails or refuses to furnish any reports required, or to produce or permit the inspection or copying of records required in this chapter shall be guilty of a Class B misdemeanor. Each such false statement, representation or failure and each day of failure or refusal shall constitute a separate offense.

(7) In any prosecution for the violation of subsection (5) or (6) of this section, it shall be a defense if the person relied on the advice of an employee or agent of the ***cabinet***~~[department]~~.

(8) Any person who willfully violates any provision of this chapter or any rule or regulation under it, the violation of which is made unlawful or the observance of which is required under the terms of this chapter, and for which no specific penalty is prescribed in this chapter or in any other applicable statute, shall be guilty of a violation. Each day the violation continues shall constitute a separate offense.

Section 121. KRS 342.0011 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Injury" means any work-related traumatic event or series of traumatic events, including cumulative trauma, arising out of and in the course of employment which is the proximate cause producing a harmful change in the human organism evidenced by objective medical findings. "Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury.

(2) "Occupational disease" means a disease arising out of and in the course of the employment.

(3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(4) "Injurious exposure" shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which the claim is made.

(5) "Death" means death resulting from an injury or occupational disease.

(6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer.

(7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter.

(8) "Department" means the Department of Workers' Claims in the Labor Cabinet.

(9) "Commissioner" means the commissioner of the Department of Workers' Claims.

(10) "Board" means the Workers' Compensation Board.

(11) (a) "Temporary total disability" means the condition of an employee who has not reached maximum medical improvement from an injury and has not reached a level of improvement that would permit a return to employment;

(b) "Permanent partial disability" means the condition of an employee who, due to an injury, has a permanent disability rating but retains the ability to work; and

(c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:

1. Total and permanent loss of sight in both eyes;
2. Loss of both feet at or above the ankle;
3. Loss of both hands at or above the wrist;
4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;
5. Permanent and complete paralysis of both arms, both legs, or one (1) arm and one (1) leg;
6. Incurable insanity or imbecility; or
7. Total loss of hearing.

(12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

(13) "Medical and related benefits" means payments made for medical, hospital, burial, and other services as provided in this chapter, other than income benefits.

(14) "Compensation" means all payments made under the provisions of this chapter representing the sum of income benefits and medical and related benefits.

(15) "Medical services" means medical, surgical, dental, hospital, nursing, and medical rehabilitation services, medicines, and fittings for artificial or prosthetic devices.

(16) "Person" means any individual, partnership, including a registered limited liability partnership, limited partnership, limited liability company, firm, association, trust, joint venture, corporation, limited liability company, or legal representative thereof.

(17) "Wages" means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, fuel, or similar advantages received from the employer, and gratuities received in the course of employment from persons other than the employer as evidenced by the employee's federal and state tax returns.

(18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting, and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with the farm operations. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market.

(19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter.

(20) "United States," when used in a geographic sense, means the several states, the District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, and the territories of the United States.

(21) "Alien" means a person who is not a citizen, a national, or a resident of the United States or Canada. Any person not a citizen or national of the United States who relinquishes or is about to relinquish his residence in the United States shall be regarded as an alien.

(22) "Insurance carrier" means every insurance carrier or insurance company authorized to do business in the Commonwealth writing workers' compensation insurance coverage and includes the Kentucky Employers Mutual Insurance Authority and every group of self-insurers operating under the provisions of this chapter.

(23) (a) "Severance or processing of coal" means all activities performed in the Commonwealth at underground, auger, and surface mining sites; all activities performed at tipple or processing plants that clean, break, size, or treat coal; and all activities performed at coal loading facilities for trucks, railroads, and barges. Severance or processing of coal shall not include acts performed by a final consumer if the acts are performed at the site of final consumption.

(b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, including registered limited liability partnerships, limited partnerships, limited liability companies, corporations, joint ventures, associations, or any other business entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether the acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including, but not limited to, administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.

(24) "Premium" for every group of self-insurers means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group.

(25) (a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the Kentucky Department of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.

(b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

(c) "Premium," for policies effective on or after January 1, 1994, for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

(d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.

(26) "Insurance policy" for an insurance company or group self-insurer means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year.

(27) "Self-insurance year" for a group self-insurer means the annual period of certification of the group created pursuant to KRS 342.350(4).

(28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department for Employment Services, ***Finance and Administration*** Cabinet~~[for Workforce Development]~~. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department for Employment Services data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

(d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured the risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection.

(h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents ($0.30) per one hundred dollars ($100) of the employer's most recent annualized payroll for employees covered by this chapter.

(29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.

(30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

(31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits.

(32) "Physician" means physicians and surgeons, psychologists, optometrists, dentists, podiatrists, and osteopathic and chiropractic practitioners acting within the scope of their license issued by the Commonwealth.

(33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods.

(34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy.

(35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest available edition.

(36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b).

Section 122. KRS 342.122 is amended to read as follows:

(1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

(b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Revenue Cabinet shall credit nineteen million dollars ($19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars ($19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars ($4,750,000).

(d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.

(2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

(4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a group self-insurance association.

(5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section,

shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The ***Finance and Administration Cabinet***~~[Department for Employment Services, Cabinet for Workforce Development]~~ is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.

(10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Section 123. KRS 342.143 is amended to read as follows:

For the purposes of this chapter, the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. The average weekly wage shall be certified to the commissioner by the ***Finance and Administration*** Cabinet~~[for Workforce Development]~~ in a manner prescribed by the commissioner by administrative regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disability in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination. Whenever a change in the average weekly wage of the state is of such amount that the minimum weekly income benefits for total disability or for death are increased or decreased by one dollar ($1) or more, or the maximum weekly income benefits for total disability or for death are increased or decreased by two dollars ($2) or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect this increase or decrease, but no change in such limitations shall otherwise be made. Notwithstanding the provisions of this section, KRS 342.140, 342.740, or any other provisions of this chapter to the contrary, the average weekly wage for calendar years 1995 and 1996 shall be determined to be no higher than the average weekly wage determined by the commissioner to be in effect in the calendar year of 1994. If the average weekly wage calculated by the commissioner is determined to be lower than the 1994 calendar year wage, the average weekly wage may be lowered as provided by this section. Beginning in calendar year 1997 and annually thereafter, the average weekly wage shall be calculated based upon the state average weekly wage in effect two (2) years prior to that calculation.

Section 124. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment.

(2) The commissioner shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public.

(3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his own motion, or upon

application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service likely to return the employee to suitable, gainful employment, be provided at the expense of the employer or his insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging, or travel shall be paid for by the employer or his insurance carrier.

(5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The commissioner shall cooperate on a reciprocal basis with the Department of Vocational Rehabilitation***,***[~~ and~~] the Department for Employment Services of the ***Education***[~~Kentucky~~] Cabinet***, and the Finance and Administration Cabinet***[~~ for Workforce Development~~]. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Department of Vocational Rehabilitation or Department for Employment Services following the refusal by the employer or his insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or his insurance carrier as apportioned in the award. This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on April 4, 1994.

(7) An employee who is enrolled and participating in a program of rehabilitation training pursuant to this section may elect to receive an acceleration of benefits as awarded under KRS 342.730. Such acceleration shall be available to the employee during the period of retraining, but in no event shall be paid in a weekly amount greater than sixty-six and two-thirds percent (66-2/3%) of the average weekly wage upon which the award is based, not to exceed one hundred percent (100%) of the state average weekly wage. Upon successful completion of the rehabilitation program, the total of all accelerated benefits paid shall be deducted on a dollar-for-dollar basis, without discount, from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, if any, shall then be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. If a program of rehabilitation training is terminated by the employee prior to completion, all sums paid on an accelerated basis shall be discounted at the rate set forth in KRS 342.265 and then deducted on a dollar-for-dollar basis from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, after the discount, shall be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. In no event shall this subsection be construed as requiring payment of benefits in excess of the total of those benefits which would otherwise be payable under the award.

Section 125. KRS 342.740 is amended to read as follows:

(1) For the purposes of this chapter, the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12). The average annual wage thus obtained shall be divided by 52 and the average weekly wage thus determined rounded to the nearest cent. This average weekly wage shall be certified to the commissioner by the ***Finance and Administration*** Cabinet[~~ for Workforce Development~~] in a manner prescribed by the commissioner by administrative regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disablement in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination.

(2) Whenever a change in the average weekly wage of the state is of an amount that increases or decreases the minimum weekly income benefits for total disability or death by $1 or more, or the maximum weekly income benefits for total disability or for death by $2 or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect the increase or decrease, but no change in these limitations shall otherwise be made.

Section 126. KRS 439.179 is amended to read as follows:

(1) Any person sentenced to a jail for a misdemeanor, nonpayment of a fine or forfeiture, or contempt of court, may be granted the privilege of leaving the jail during necessary and reasonable hours for any of the following purposes:

The wages or salary shall not be subject to garnishment of either the employer or the District Court during the prisoner's term, and shall be disbursed only as provided in this section. For tax purposes they shall be the income of the prisoner.

(4) Every prisoner gainfully employed shall be liable for the cost of his board in the jail, for an amount up to twenty-five percent (25%) of the prisoner's gross daily wages, not to exceed forty dollars ($40) per day, but not less than twelve dollars ($12) per day, established by the fiscal court of a county or the urban-county council if an urban-county government. If he defaults, his privilege under this section shall be automatically forfeited. (7) The Department of Corrections shall, at the request of the District Judge, investigate and report on the amount necessary for the support of the prisoner's dependents, and periodically review the prisoner's progress while on leave from the jail and report its findings to the District Judge.

(8) The jailer may refuse to permit the prisoner to exercise his privilege to leave the jail as provided in subsection (1) for any breach of discipline or other violation of jail regulations for a period not to exceed five (5) days.

(9) In counties containing an urban-county form of government, the duties, responsibilities, and obligations vested herein in the Department of Corrections shall be performed by the adult misdemeanant probation and work release agency of the urban-county government.

Section 129. KRS 12.028 is amended to read as follows:

(2) Recognizing that changes in the state government organizational structure may need to be made as rapidly as possible to achieve greater economy, efficiency, and improved administration as the needs of government dictate, the Governor, the Kentucky Economic Development Partnership as created in KRS 154.10-010, ***an officer, organizational unit, administrative body or entity as described in Section 130 of this Act,*** and other elected state executive officers may, between sessions of the General Assembly, temporarily effect a change in the state government organizational structure as described in subsection (1) of this section if such temporary reorganization plan is first reviewed by the interim joint legislative committee with appropriate jurisdiction. (d) Specification of the effects of the reorganization on the budget and personnel of each affected organizational unit or administrative body, including but not limited to the amount of funds and the number of employees that will be transferred from one (1) organizational unit or administrative body to another, any reductions in the state work force resulting from the reorganization, and the methods to be utilized to achieve such reductions.

The committee shall report its findings to the Legislative Research Commission. The subject matter of each executive order relating to reorganization shall be presented to the General Assembly in a separate bill. Nothing in this subsection shall be construed to require the employer or the employer's trustee to use or designate the benefits of any employee insurance contract for the specific benefit of the estate of the particular insured on whose life or body the insurance contract producing the benefits was procured.

(2) Any individual of competent legal capacity may procure or effect an insurance contract upon his own life or body for the benefit of any person. No person shall procure or cause to be procured any insurance contract upon the life or body of another individual unless the benefits under the contract are payable to the individual insured or his personal representatives, or to a person having, at the time when the contract was made, an insurable interest in the individual insured.

(3) If the beneficiary, assignee, or other payee under any contract made in violation of this section receives from the insurer any benefits thereunder accruing upon the death, disablement, or injury of the individual insured, the individual insured or his executor or administrator, as the case may be, may maintain an action to recover the benefits from the person so receiving them.

An employer is required to notify eligible employees of their proposed participation in the plan and an employee shall be given an opportunity to refuse to participate. An employer shall obtain the written consent of each individual being insured. Consent may include an acknowledgment that the employer may maintain the life insurance coverage even after the insured individual's employment has terminated. An employer shall not retaliate in any manner against an employee or a retired employee for refusing consent to be insured.***

(5) An insurer shall be entitled to rely upon all statements, declarations, and representations made by an individual applicant for insurance relative to the insurable interest of the applicant in the insured; and no insurer shall incur legal liability except as set forth in the policy, by virtue of any untrue statements, declarations, or representations so relied upon in good faith by the insurer.

However,~~] upon any policy issuance or renewal, on or after January 1, 2003[~~, the maximum variation shall revert to thirty five percent (35%) of the index rate~~].

(2) ***Notwithstanding the thirty-five percent (35%) variance limitation in subsection (1) of this section, insurers offering an individual health benefit plan that is state-elected under sec. 35(e)(1)F of the Trade Act of 2002, Pub. L. No. 107-210 sec. 201, may vary from the index rate by more than thirty-five percent (35%) for individuals who are eligible for the health coverage tax credit under the following conditions:***

(a) The insurer certifies that the individual does not meet the insurer's underwriting guidelines for issuance of an individual policy;

(b) The policy meets the requirements for state-elected coverage under the Trade Act of 2002; and

(c) The premium rate is actuarially justified and has been approved by the Department of Insurance pursuant to KRS 304.17A-095.

(3) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed twenty percent (20%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.

(4)[~~(3)~~] The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than fifty percent (50%) of the index rate.

(b) Any adjustment, not to exceed twenty percent (20%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the small group or association member as determined from the insurer's rate manual for the class of business.

(6)[~~(5)~~] In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(7)[~~(6)~~] Adjustments in rates for claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, health status, and duration of coverage shall not be charged to an individual group member or the member's dependents. Any adjustment shall be applied uniformly to the rates charged for all individuals and dependents of the small group.

(8)[~~(7)~~] The commissioner may approve establishment of additional classes of business upon application to the commissioner and a finding by the commissioner that the additional class would enhance the efficiency and fairness for the applicable market segment.

(a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than ten percent (10%).

(b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:

(c) Notwithstanding any other provision of this subsection, beginning January 1, 2001, a GAP participating insurer may establish a separate class of business for the purpose of separating guaranteed acceptance program qualified individuals from other individuals enrolled in their plan prior to January 1, 2001. The index rate for the separate class created under this paragraph shall be established taking into consideration expected claims experience and administrative costs of the new class of business and the previous class of business.

(9)[~~(8)~~] For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network if utilization of the restricted provider network results in substantial differences in claims costs.

(10)[~~(9)~~] Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995, and April 10, 1998, to develop the insurer's index rate for its individual policies.

(11)[~~(10)~~] Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

Section 2. Whereas immediate and special circumstances make numbers of uninsured Kentucky residents eligible for a federal health coverage tax credit, which provides for the Internal Revenue Service to subsidize sixty-five percent (65%) of these residents' health coverage premium, the current qualified health plans cannot provide coverage to many of the these residents, and insurers may offer qualified health plans if insurers are statutorily permitted to charge rates that adequately cover the increased risk associated with persons eligible for the federal health coverage tax credit, an emergency is declared to exist, and this Act shall take effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Section 17. KRS 304.6-180 is amended to read as follows:

(1) If in any contract year the gross premium charged by any life insurer on any policy or contract, which is subject to subsection (2) of KRS 304.6-140, is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon, but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in KRS 304.6-140 and 304.6-145. Provided that for any life insurance policy issued on or after January 1, 1986, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this section shall be applied as if the method actually used in calculating the reserve for such policy were the method described in KRS 304.6-150, ignoring the second subsection of that section. The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with KRS 304.6-150, including the second subsection of that section, and the minimum reserve calculated in accordance with this section.

Commission and other acquisition costs need not be considered in the premium deficiency analysis to the extent they have previously been expensed. For purposes of determining if a premium deficiency exists, insurance contracts shall be grouped in a manner consistent with how policies are marketed, serviced, and measured. A liability shall be recognized for each grouping where a premium deficiency is indicated. Deficiencies shall not be offset by anticipated profits in other policy groupings. If a premium deficiency reserve is established, disclosure of the amount of that reserve shall be made in the financial statements. If a reporting entity utilizes anticipated investment income as a factor in the premium deficiency calculation, disclosure of this shall be made in the financial statements.

(3) When the anticipated losses, loss adjustment expenses, commissions and other acquisition costs, and maintenance costs exceed the recorded unearned premium reserve, contingency reserve, and the estimated future renewal premium on existing policies, a mortgage guaranty insurer shall recognize a premium deficiency reserve by recording an additional liability for the deficiency with a corresponding charge to operations. Commissions and other acquisition costs need not be considered in the premium deficiency analysis to the extent they have been expensed. If a mortgage guaranty insurer utilizes anticipated investment income as a factor in the premium deficiency calculation, disclosure of this shall be made in the financial statements.

(4) When the expected claims payments or incurred costs, claim adjustment expenses and administration costs exceed the premiums to be collected for the remainder of a contract period, an individual or group accident and health insurer or health maintenance organization shall recognize a premium deficiency reserve by recording an additional liability for the deficiency, with a corresponding charge to operations. For purposes of determining if a premium deficiency exists, contracts shall be grouped in a manner consistent with how policies are marketed, serviced, and measured. A liability shall be recognized for each grouping where a premium deficiency is indicated. Deficiencies shall not be offset by anticipated profits in other policy groupings. Such accruals shall be made for any loss contracts, even if the contract period has not yet started.

SB 181, AN ACT relating to security interests.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 186.045 is amended to read as follows:

(1) A perfected security interest in a motor vehicle that has been satisfied by payment in full shall be deemed to have been discharged if one (1) or both of the following events has occurred:

(a) The funds to pay in full and discharge the security interest have been provided to the secured party in the form of a cashier's check, certified check, or wire transfer; or

(b) The debt has been paid to a secured party who is no longer in existence or has failed to file the necessary documents to discharge the lien.

(2) If payment in full has been made under subsection (1)(a) of this section, the discharge of the lien shall be made not later than ten (10) days from the receipt of the payment.

(3) When a security interest has been paid in full and a termination statement or discharge has not been filed, the debtor may petition the Circuit Court in the county of the debtor's residence to order the discharge of the security interest. The debtor shall present written evidence to the Circuit Court that the security interest has been paid in full. If the evidence presented to the Circuit Court proves to the court's satisfaction that the security interest has been paid in full, the court shall order the

county clerk to note the termination on the title and to remove the lien from the Automated Vehicle Information System (AVIS). A copy of the court's order shall immediately be sent to the county clerk in the county where the security interest was originally filed and the county clerk shall discharge the security interest and remove the lien information from AVIS in accordance with the provisions of this section.

(4) Whenever a security interest has been discharged, other than by proceedings under Part 6 of Article 9 of KRS Chapter 355 or similar proceedings, the secured party shall deliver ***an authenticated***~~[a]~~ termination statement in the manner required by KRS 355.9-513 ***and 186A.195*** to the county clerk of the county in which the title lien statement was submitted. The secured party shall also deliver a copy of the termination statement to the debtor or the debtor's transferee. For failure to file the termination statement within the allowable time, the secured party shall be subject to the penalty provided in KRS 186.990(1). Except as provided in subsection (3) of this section, within five (5) days after the receipt of such documents, the county clerk shall note the filing in the index, in language prescribed by the cabinet, that the termination statement has been filed. Upon presentation of the owner's title showing a security interest to the county clerk where the termination statement was submitted, and with the copy of the termination statement submitted by the secured party, the clerk shall discharge the security interest by noting on the title that the termination statement has been filed and place the seal of the county clerk thereon. The clerk shall return the owner's title to the owner. The county clerk shall then file the termination statement in the place from which the title lien statement was removed. Termination statements shall be retained in the clerk's files for a period of two (2) years subsequent to the date of filing a statement, at which time they may be destroyed. The fee for these services are included in the provisions of KRS 186A.190.

(5) Upon presentation of an owner's title showing a security interest to the county clerk of a county where the termination statement was not delivered, the county clerk shall access the automated system to determine whether a record of termination of the security interest has been entered into the automated system by the county clerk where the termination statement was delivered by the secured party as provided in KRS 186A.210. If a record of termination has been entered into the automated system, the county clerk of the county where the termination statement was not delivered, shall note the discharge of the security interest on the certificate of title by noting that the termination statement has been delivered, the county where it was delivered, and placing the seal of the county clerk thereon and may rely on the automated system to do so. If a record of termination has not been entered into the automated system, the county clerk of the county other than where the termination statement was delivered shall not make any notation upon the certificate of title that the security interest has been discharged or that a termination statement has been delivered to the county where the title lien statement was submitted.

(6) Whenever any secured party repossesses a vehicle titled in Kentucky, for which a security interest is in existence at the time of repossession, and disposes of the vehicle pursuant to the provisions of KRS Chapter 355, he shall present, within fifteen (15) days after such disposition, an affidavit in a form prescribed by the department and a termination statement or proof that a termination statement has been filed. The new owner shall pay all applicable fees for titling and transferring the vehicle to the county clerk. Upon receipt of such documents, the county clerk who issued the lien shall then omit from the title he makes application for any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by such title which is superior to the one under which the vehicle was repossessed, shall be shown on the title issued by the clerk unless the prior secured party has discharged the security interest in the clerk's office or proof of termination is submitted, if the prior security interest was discharged in another clerk's office.

(7) Whenever any vehicle brought into Kentucky is required to be titled and the vehicle is then subject to a security interest in another state as shown by the out-of-state documents presented to the clerk, the county clerk is prohibited from processing the application for title on the vehicle unless the owner obtains from the secured party a financing statement or title lien statement and presents same to the clerk along with the fees required in KRS 186A.190. The clerk shall note the out-of-state security interest on the certificate of title. This provision does not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145.

(8) The fees provided for in this section are in addition to any state fee provided for by law.

(9) Any person violating any provision of this section or any person refusing to surrender a certificate of title registration and ownership or transfer certificate upon request of any person entitled thereto, is subject to the penalties provided in subsection (1) of KRS 186.990.

(10) The county clerk is prohibited from noting any security interest on a certificate of title on any vehicle subject to the provisions of KRS Chapter 186A if a certificate of title therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner is responsible for ensuring that a discharge is noted on the certificate of title for each security interest and then a duplicate title as provided for in KRS 186A.180 shall be obtained from the clerk by the owner of the vehicle.

(11) Security interests in vehicles sold to or owned by residents of other states shall be perfected in the state of the nonresident and repossession of the vehicle shall be taken pursuant to the laws of that state, unless:

(a) The vehicle is principally operated in Kentucky;

(b) The vehicle is properly titled in Kentucky under KRS Chapter 186A; and

(c) The security interest is authorized to be noted on the certificate of title by the county clerk under KRS Chapter 186A.

WHEREAS, Ms. Arnow's writings during the 1940s and 1950s presaged the women's rights movement by portraying women as strong, self-reliant, and capable;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Citizens' Stamp Advisory Committee of the U.S. Postmaster General is urged to recommend for issuance in 2008, a U.S. Postal Service stamp commemorating the centennial of the birth of Harriette Simpson Arnow and her importance to American literature through her honest and realistic portrayal of women and Appalachian culture.

HCR 106, A CONCURRENT RESOLUTION urging transmission-owning utilities to work cooperatively to improve transmission-related reliability with the least amount of impact to agricultural landowners in the Commonwealth.

WHEREAS, the General Assembly recognizes the importance of maintaining Kentucky's electric transmission grid in order to deliver affordable and reliable power; and

WHEREAS, there is a delicate balance between ensuring reliability of the electric transmission grid and protecting the rights of agricultural landowners when locating an electric transmission line; and

WHEREAS, efficiencies can be gained and aesthetic goals can be preserved if electric utilities utilize more efficient technologies and optimize the location of electric transmission lines and related facilities; and

WHEREAS, federal and state agencies, including the Kentucky Public Service Commission, indicate no state authority currently has the jurisdiction to regulate the siting of certain electric transmission lines; and

WHEREAS, this absence of state authority may create a disincentive for the electric utility to act in the best interest of the local residents or to preserve agricultural land;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

Whereas, the General Assembly finds and determines that:

(1) State-of-the-art telecommunications is an essential element to the Commonwealth's initiatives to improve the lives of Kentucky citizens, to create investment, jobs, economic growth, and to support the Kentucky Innovation Act of 2000;

(2) Streamlined regulation in competitive markets encourages investment in the Commonwealth's telecommunications infrastructure;

(3) Consumers in the Commonwealth have many choices in telecommunications services because competition between various telecommunications technologies such as traditional telephony, cable television, Internet and other wireless technologies has become commonplace;

(4) Consumers benefit from market-based competition that offers consumers of telecommunications services the most innovative and economical services; and

(5) Consumer protections against fraud and abuse, for the provision of affordable basic service, and for access to emergency services including enhanced 911 must continue.

SECTION 2. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

In addition to the definitions in KRS 278.010 and KRS 278.516(2), for Sections 1 to 3 of this Act, the following definitions shall apply:

(1) "Broadband" means any service that is used to deliver video or to provide access to the Internet and that consists of the offering of the capability to transmit information at a rate that is generally not less than two hundred (200) kilobits per second in at least one direction; or any service that combines computer processing, information storage, and protocol conversion to enable users to access Internet content and services. Nothing in this definition shall be construed to include any intrastate service, other than digital subscriber line service, tariffed at the commission as of July 15, 2004.

  (a) The availability of facilities or equipment used to provide broadband services; or

  (b) The rates, terms or conditions for, or entry into, the provision of broadband service.

(2) Any requirement imposed upon broadband service in existence as of July 15, 2004 is hereby voided upon enactment of Sections 1 to 3 of this Act. The provisions of this section do not limit or modify the duties of a local exchange carrier or an affiliate of a local exchange carrier to provide unbundled access to network elements to the extent required under 47 U.S.C. Sections 251 and 252, and any regulations issued by the Federal Communications Commission at rates determined in accordance with the standards established by the Federal Communications Commission pursuant to 47 C.F.R. Sections 51.503 to 51.513, inclusive of any successor regulations. Nothing contained in Sections 1 to 3 of this Act shall be construed to preclude the application of access or other lawful rates and charges to broadband providers. Nothing contained in Sections 1 to 3 of this Act shall preclude, with respect to broadband services, access for those service providers that use or make use of the publicly switched network.

Section 4. (1) There is hereby created the Kentucky Broadband Task Force. HJR 211, A JOINT RESOLUTION directing the Cabinet for Health Services to study the problem of teenage in-vehicle drinking and related drug abuse.

WHEREAS, teenagers with ready access to the motor vehicle have become increasingly mobile; and

WHEREAS, in the United States in 1998, 1,695 youths in the 15- to 19-year-old age range lost their lives as a result of alcohol-related traffic accidents; and

WHEREAS, the Aluminum Anonymous Project surveyed 1,072 miles of Kentucky roadsides from Pikeville to Hazard to London to Lebanon to Glasgow to the Tennessee state line, and from the West Virginia state line to Maysville to Frankfort to Owensboro to Hopkinsville in September 1997, November 1998, and October 2000 for the discard rate of alcoholic beverage containers, and found an average of 1,025 beer cans or beer bottles per mile of road annually; and

WHEREAS, the Aluminum Anonymous Project followed up the survey with "Who's Doing the Tossing?" interviews of professionals working with teens and adults in alcohol and drug settings, and it was estimated that 50 percent of the discarded alcoholic beverage containers were coming from teenagers; and

WHEREAS, in spite of the January 2001 national survey of teenagers by the National Institute on Alcohol Abuse and Alcoholism (NIAAA) that included questions of drinking and drug use while driving and riding, perhaps for the first time at the federal level, too little is known about the alcohol and drug behavior of Kentucky teenagers after the car doors close; and

WHEREAS, the January 2001 report of the National Center on Substance Abuse and Addiction, "Shoveling Up: Impact of Substance Abuse on State Budgets," states that only one percent of the $957 million total that is spent annually on substance abuse problems is for prevention and treatment;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

(1) Assembling what is known about this behavior, its dynamics, prevalence, and incidence;

(2) Identifying gaps in knowledge, program, policy, and interagency interaction; and

(3) Recommending action that should be taken by the involved state agencies and the Kentucky General Assembly.

Section 2. The Cabinet for Health Services shall report by October 1, 2004, to the Governor and the Legislative Research Commission with a recommended plan of action for a policy and program that would comprehensively incorporate teenage in-vehicle drinking and related drug use into the scope of the state's prevention strategies. The report shall include, if appropriate, the identification of new programs along with their estimated costs.

(3) Each year, during the ten (10) year term of the service and technology agreement, up to fifty percent (50%) of the annualized rent shall be added to the unrecouped balance of approved costs, and the inducements earned shall be subtracted from the approved costs.

(5) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the qualified statewide employees exceeds the remaining balance of the approved costs then expended, the approved company shall pay the excess to the Commonwealth as income tax.

(6) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the assessment collected from the wages of the qualified statewide employees exceeds the unrecouped remaining balance of the approved costs then expended, the assessment collected from the wages of the qualified statewide employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the qualified statewide employees for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for qualified statewide employees' wages next succeeding the first date when the approved company collected excess assessments.

Section 9. KRS 154.23-055 is amended to read as follows:

(1) If the local jurisdiction in which the economic development project is to be located, approves the assessment in accordance with subsection (8) of this section, then an approved company engaged in either manufacturing or service or technology activities***, or, with the authority's consent, an affiliate of the approved company,*** may require each qualified statewide employee, as a condition to employment, to agree to pay an assessment in an amount determined by the percentage of the local occupational license fee, which shall be one-fifth (1/5) of the total assessment, plus the Commonwealth's contribution of four-fifths (4/5) of the total assessment, but in no event to exceed five percent (5%) of the qualified statewide employee's gross wages exclusive of any noncash benefits; provided that each qualified statewide employee

paying the assessment shall be entitled to credits against Kentucky income tax as prescribed in subsection (4) of this section and to credits against the local occupational license fee to the extent of the local occupational license fee collected by the local jurisdiction. This assessment shall be deducted by the approved company from wages it pays to qualified statewide employees.

(2) Notwithstanding subsection (1) of this section, if no local occupational license fee is assessed by any local government in which the project is located, the assessment shall be four percent (4%), all of which shall be contributed by the Commonwealth.

(3) Notwithstanding subsection (1) of this section, if a project is located in only one (1) local government and that local government has a local occupational license fee that is less than one percent (1%) and the local government agrees to forgo all of its local occupational license fee or if a project is located in multiple local governments and the local governments have in the aggregate local occupational license fees that are less than one percent (1%) and the local governments agree to forgo all of their local occupational license fees, then the assessment shall be four percent (4%), all of which shall be contributed by the Commonwealth, plus the percentage of the local occupational license fee or fees, as applicable, that the local government or local governments, as applicable, has or have agreed to forgo.

(b) Credit against the local occupational license fee imposed by any local government in which the project is located in the form of a simultaneous adjustment of the local occupational license fee withheld from gross wages excluding noncash benefits not to exceed one percent (1%) of these wages.

(5) If more than one (1) local government jurisdiction imposes a local occupational license fee and all jurisdictions approve the assessment, then the assessment and employee credit therefor shall be prorated against the local occupational license fees imposed, unless a single local government jurisdiction agrees to forgo receipt of its local occupational license fees in an amount equal to one percent (1%) of the qualified statewide employees' wages excluding noncash benefits, in which case no proration need be made.

(6) No credit, or portion thereof, shall be allowed against any occupational license fee imposed by or dedicated solely to the board of education in a local jurisdiction.

(7) An approved company that collects an assessment shall make its payroll, books, and records available to the authority at its request, and shall provide all documentation pertaining to the assessment as the authority may require.

(8) Before any tax incentive agreement or service and technology agreement becomes effective with respect to an assessment, the legislative body of any local government that assesses a local occupational license fee and shall lose revenue as a result of the assessment described in this section shall, by official action, approve the assessment for the benefit of an approved company. However, if a local government does not approve the assessment, then the approved company shall not be permitted to impose the assessment and the qualified statewide employees shall not be permitted to claim credits.

2. The assessment, if applicable, withheld by the approved company in each year;

(3) Each year, during the ten (10) year term of the service and technology agreement, up to fifty percent (50%) of the annualized rent shall be added to the unrecouped balance of approved costs, and the inducements earned shall be subtracted from the approved costs.

(5) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the qualified statewide employees exceeds the remaining balance of the approved costs then expended, the approved company shall pay the excess to the Commonwealth as income tax.

(6) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the

assessment collected from the wages of the qualified statewide employees exceeds the unrecouped remaining balance of the approved costs then expended, the assessment collected from the wages of the qualified statewide employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the qualified statewide employees for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for qualified statewide employees' wages next succeeding the first date when the approved company collected excess assessments.

Section 9. KRS 154.23-055 is amended to read as follows:

(1) If the local jurisdiction in which the economic development project is to be located, approves the assessment in accordance with subsection (8) of this section, then an approved company engaged in either manufacturing or service or technology activities***, or, with the authority's consent, an affiliate of the approved company,*** may require each qualified statewide employee, as a condition to employment, to agree to pay an assessment in an amount determined by the percentage of the local occupational license fee, which shall be one-fifth (1/5) of the total assessment, plus the Commonwealth's contribution of four-fifths (4/5) of the total assessment, but in no event to exceed five percent (5%) of the qualified statewide employee's gross wages exclusive of any noncash benefits; provided that each qualified statewide employee paying the assessment shall be entitled to credits against Kentucky income tax as prescribed in subsection (4) of this section and to credits against the local occupational license fee to the extent of the local occupational license fee collected by the local jurisdiction. This assessment shall be deducted by the approved company from wages it pays to qualified statewide employees.

(2) Notwithstanding subsection (1) of this section, if no local occupational license fee is assessed by any local government in which the project is located, the assessment shall be four percent (4%), all of which shall be contributed by the Commonwealth.

(3) Notwithstanding subsection (1) of this section, if a project is located in only one (1) local government and that local government has a local occupational license fee that is less than one percent (1%) and the local government agrees to forgo all of its local occupational license fee or if a project is located in multiple local governments and the local governments have in the aggregate local occupational license fees that are less than one percent (1%) and the local governments agree to forgo all of their local occupational license fees, then the assessment shall be four percent (4%), all of which shall be contributed by the Commonwealth, plus the percentage of the local occupational license fee or fees, as applicable, that the local government or local governments, as applicable, has or have agreed to forgo.

(4) Each qualified statewide employee required to pay this assessment shall be entitled to certain credits, as follows:

  (b) Credit against the local occupational license fee imposed by any local government in which the project is located in the form of a simultaneous adjustment of the local occupational license fee withheld from gross wages excluding noncash benefits not to exceed one percent (1%) of these wages.

(5) If more than one (1) local government jurisdiction imposes a local occupational license fee and all jurisdictions approve the assessment, then the assessment and employee credit therefor shall be prorated against the local occupational license fees imposed, unless a single local government jurisdiction agrees to forgo receipt of its local occupational license fees in an amount equal to one percent (1%) of the qualified statewide employees' wages excluding noncash benefits, in which case no proration need be made.

(6) No credit, or portion thereof, shall be allowed against any occupational license fee imposed by or dedicated solely to the board of education in a local jurisdiction.

(7) An approved company that collects an assessment shall make its payroll, books, and records available to the authority at its request, and shall provide all documentation pertaining to the assessment as the authority may require.

(8) Before any tax incentive agreement or service and technology agreement becomes effective with respect to an assessment, the legislative body of any local government that assesses a local occupational license fee and shall lose revenue as a result of the assessment described in this section shall, by official action, approve the assessment for the benefit of an approved company. However, if a local government does not approve the assessment, then the approved company shall not be permitted to impose the assessment and the qualified statewide employees shall not be permitted to claim credits.

(9) Any assessment of the wages of qualified statewide employees of an approved company engaged in service or technology activities in connection with their employment at an economic development project shall permanently cease at the expiration of the service and technology agreement.

(1) Every employer making payment of wages on or after January 1, 1971, shall deduct and withhold upon the wages a tax determined under KRS 141.315 or by the tables authorized by KRS 141.370.

(2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which the wages are paid.

(3) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of wages by the employer during the calendar year, or the date of commencement of employment with the employer during the year, or January 1 of the year, whichever is the later.

(4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.

If Congress changes substantially the federal income tax, the cabinet shall make the change in these tables necessary to compensate for any increase or decrease in the deductible federal income tax.

(6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of the calculation shall be secured from the cabinet at least thirty (30) days before the first payroll period for which it is to be used.

(7) The cabinet may, by regulations, authorize employers:

(8) The cabinet may provide by regulation, under the conditions and to the extent it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to the additional withholding. The additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

(9) Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in KRS 154.24-110 may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be equal to the Commonwealth's contribution as determined by KRS 154.23-055(1) to (3).

(13) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. The bond shall be a corporate surety bond or cash. The amount of the bond shall be determined by the cabinet, but shall not exceed fifty thousand dollars ($50,000).

Spear, No. 02-5529 (January 16, 2004), has found limitations on post-election contributions and personal candidate loans unconstitutional, and an immediate change to the law is necessary to conduct free and equal elections as required by Section 6 of the Kentucky Constitution, ensure the prevention of electoral fraud and corrupt practices as required by Sections 150 and 151 of the Kentucky Constitution, and prevent campaign finance abuses throughout the Commonwealth for upcoming special, primary, and general elections, an emergency is declared to exist, and Sections 1, 2, 3, and 6 of this Act take effect upon their passage and approval by the Governor or upon their otherwise becoming a law.

The House of Representatives of the Commonwealth of Kentucky hereby recognizes and honors the members of Alpha Kappa Alpha Sorority, Inc. upon participating in "Alpha Kappa Alpha Day," celebrated at State Capitals across this great Nation. Incorporated in 1913, Alpha Kappa Alpha became the channel through which selected college-trained women worked to improve the socioeconomic status of their cities, states, nations and the world. The members of this outstanding national public service organization now sit in on sessions of state legislatures in order to observe their legislators at work. Inasmuch as this exemplary sorority has long been committed to public service, sisterhood and scholarship, and does not support any political party line but is ever-vigilant regarding awareness of laws, programs and practices that affect the health, education and welfare of all citizens, especially African Americans, the members of this honorable body are delighted to join Representative Reginald K. Meeks in welcoming them to the Chambers of the Kentucky House of Representatives on this day.
